Proceedings of the Board of Trustees The Ohio State University

OFFICIAL PROCEEDINGS OF THE EIGHT HUNDRED AND FIFTIETH MEETING OF THE BOARD OF TRUSTEES

Columbus, Ohio, July 11, 1951

The Board of Trustees met at the University at 11:30 a. m. in special meeting called by Chairman Dargusch in accordance with Section 3 of the By-Laws.

Present: General Carlton S. Dargusch, Chairman, Forrest G. Ketner, Senator James W. Huffman and Robert F. Black of Cleveland, appointed as a member of this Board by Governor Lausche for a term to begin May 31, 1951 and to end May 13, 1958. Mr. Black succeeds Mr. Donald C. Power who served as a member of this Board for seven years.

President Bevis now presented the following statement on the sale of the Santa Monica property and recommended that the resolution contained therein be approved;

In 1946 the Eureka Realty Company, an Ohio corporation, conveyed to the Trustees of the Ohio State University Lots 10, 11 and 12 in Block 12 of Palisades in the City of Santa Monica, County of Los Angeles, California. The stock of the Eureka Realty Company was owned by Mr. Julius F. Stone and the property conveyed to the Trustees of the University was formerly the California home of Mr. Stone and his family.

The conveyance to the University was upon certain conditions expressed in a resolution adopted by the Board of Trustees on October 23, 1946. The resolution provided that the property in question should remain subject to the use of Mr. Stone and his wife for their lives and upon their death, their daughter, Natalia Stone Gage to have the use of it during her life or until such time as she might in writing renounce her right to such use. It was further provided that after the death of Mr. and Mrs. Stone and their daughter, or upon her renunciation, the full possession, with right to disposal of said premises shall pass to the University. It further provided: "It is the desire of the donor of said property and agreed to by the Trustees, that said premises or the proceeds thereof shall be devoted to the development or use of the Radiation Laboratory of said University."

On September 5, 1950, President Bevis reported to the Board of Trustees that he had received a letter dated August 16, 1950 from Natalia Stone Gage, daughter of Mr. and Mrs. Stone, in which she renounced her rights to the use of said property in Santa Monica.

The minutes of the meeting of the Board of Trustees on September 5, 1950 recite the following resolution:

"Following the discussion of the above statement, General Dargusch moved that the University administration be authorized to dispose of the said property to the best advantage possible to the University."

"This motion was seconded by Mr. Ketner and upon roll call was approved by unanimous vote."

Pursuant to the resolution just quoted, the Administration undertook to dispose of this property by sale.

In order to determine the method by which the property might legally be sold and conveyed, an application was made to the Attorney General of Ohio for direction. In an informal opinion addressed to the President of the University, dated April 23, 1951, the Attorney General ruled that the property might legally be sold at private sale and that a valid title could be conveyed by deed of the Board of Trustees of the Ohio State University.

The Administration thereupon offered the property for sale through Charles A. Tegner Company, real estate brokers of Santa Monica, California. Through correspondence with a number of persons in California and with members of the Stone family, particularly Franz Stone, the conclusion was arrived at that, under all the circumstances, \$25,000.00 would probably be a fair sale price. It was agreed by all that the "house was too good for the neighborhood" and that its sale price would be somewhat affected thereby.

It was Mr. Franz Stone's opinion that \$26,000.00 or \$27,000.00 ought to be asked in the hope of securing an offer of \$25,000.00 or more.

Thereafter, an offer of \$22,000.00 was received and not accepted. I received on July 2 a telegram from Charles Tegner & Company conveying an offer of \$27,500.00 subject to acceptance within seven days. Acting upon the Board's resolution of September 5, 1950, I wired acceptance and subsequently signed on behalf of the Board of Trustees a written contract forwarded to me from California.

The sale contract contains a provision, which appears to be standard in California, that the property shall be free from visible infestation of termites.

I have suggested that the deed be drawn in California to meet the requirements of the purchaser's counsel, and upon its receipt will transmit it to the Attorney General for approval.

The University has continued to employ a caretaker formerly employed by the Stones. His compensation has been \$50.00 a month. The University has also advanced taxes as they have fallen due and has made small expenditures for upkeep.

It is my opinion that, under all the circumstances, \$27,500.00 is as good an offer as we are likely to obtain and it is desirable that the expense incident to continuing to hold the property be eliminated as soon as possible.

To supplement the broad provisions in the Board's resolution of September 5, 1950, I suggest the adoption of the additional resolution presented herewith.

The Board of Trustees of the Ohio State University having by resolution on September 5, 1950 authorized the University Administration to dispose, to the best advantage of the University, of the property in Santa Monica, California, known as Lots 10, 11 and 12, The Palisades, City of Santa Monica, and further known as 556 Twelfth Street, Santa Monica, and the President having negotiated an advantageous sale of said property; now, therefore, be it

RESOLVED, That the Chairman and Secretary of said Board of Trustees execute and cause to be delivered to the purchaser a deed for said property.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the resolution as presented by the President, was upon roll call approved by unanimous vote.

The Chairman directed the Secretary to send the President's statement and proposed resolution to the three absent members, with the request that they indicate in writing to the Secretary, their approval or disapproval of the resolution.

The President now presented a statement and recommendation covering the appointment of Dr. Newton.

The President reported that prior to the beginning of the current fiscal year, Miss Frances McKenna had resigned as Director of the School of Nursing, retaining her faculty position as Associate Professor of Nursing Education. Since July 1 she has been serving as Acting Director of the School of Nursing.

Dean Doan of the College of Medicine, with the written concurrence of the Committee on Nursing Education, recommends for the position of Director of the School of Nursing Miss Mildred E. Newton, at present Assistant Professor and Assistant Dean of Nursing at the University of California.

Her record of education and experience is as follows:

Education

Iowa State Teachers College High School—Graduated 1917

Iowa State Teachers College—1917-1921

Evanston Hospital School of Nursing and Northwestern University—B.S. 1924. Major, Botany

Colorado State Teachers College—Summer 1928

University of Southern California—M.A. in Education, 1932

University of California—Summers 1946, 1947 and 1948

Stanford University—Ed.D., 1949. Major, Philosophy and History of Education

Experience

Pasadena Hospital, Pasadena, California—Obstetrical Supervisor May 1925- August 1927. Teaching Supervisor, August 1927-August 1929

Pasadena Hospital and Junior College—Instructor, August 1929-October 1933. Director of School, October 1933-August 1934

University of California—Medical Supervisor and Instructor, August 1934-September 1938. Instructor and Supervisor in Nursing, September 1938-June 1940. Assistant Professor and Supervisor, July 1940-1949. Assistant Professor and Assistant Dean, July 1944-present

She has been active in professional organizations and has published a large number of articles and two books in the general field of nursing. A more extended statement of her history is attached to this recommendation.

The President therefore recommended that Mildred E. Newton

7-11-'51

be appointed Professor of Nursing Education and Director of the School of Nursing, effective September 1, 1951, at a salary of \$6,300.00 a year on the basis of 12 months' service.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the Board by unanimous vote approved the appointment of Dr. Newton, as recommended by the President.

The Chairman directed the Secretary to send the President's statement and recommendation to the three absent members, with the request that they indicate in writing to the Secretary their approval or disapproval of the recommendation.

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDINGS OF THE
EIGHT HUNDRED AND FIFTY-FIRST MEETING
OF THE BOARD OF TRUSTEES

Gibraltar Island, Ohio, September 4, 1951

The Board of Trustees met at Gibraltar Island, pursuant to adjournment.

Present: General Carlton S. Dargusch, Chairman, Robert F. Black, Senator John W. Bricker, Judge Robert N. Gorman, Senator James W. Huffman and F. G. Ketner.

The Chairman of the Board, with his expression of deep regret, read Mr. Kettering's letter of August 31, 1951, indicating his inability to attend this meeting at Gibraltar Island.

Thereupon President Bevis presented the following resolution:

WHEREAS the recent celebration of Charles F. Kettering's seventy-fifth birthday marks the completion of three quarters of a century of progress in American life unequaled in any similar period in the world's history, and

WHEREAS the contribution to that progress made by Mr. Kettering is unsurpassed by that of any other person of his time, and

WHEREAS The Ohio State University glories in the fact that Mr. Kettering is an alumnus and deeply appreciates the service he continues to render his Alma Mater in his nineteenth year as a member of its Board of Trustees, and

WHEREAS the other members of that Board derive singular enjoyment, stimulus and inspiration from his attendance at their meetings,

NOW THEREFORE, Be it resolved that the Board of Trustees join the myriad of Mr. Kettering's friends in warmest congratulations and look forward with keen anticipation to his continuance in their councils.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to Mr. Kettering by the Secretary and that the resolution itself be spread upon the Minutes of the Board.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the foregoing resolution was adopted by unanimous vote.

The President recommended for appointment to the position of Vice President in Charge of Faculty and Curriculum, vacated by Dr. Harlan H. Hatcher's appointment to the Presidency of The University of Michigan, Dr. Frederic W. Heimberger at an annual salary of \$13,250. The President further recommended that Dr. Heimberger retain his title and rank as Professor of Political Science, but that

he receive no compensation in addition to his salary as Vice President while he holds the position of Vice President. A statement of Dr. Heimberger's history and qualifications accompanied the President's recommendations.

On motion of Senator Bricker, seconded by Senator Huffman, the above recommendations were approved by unanimous vote.

Fire and Explosion

On August 11th there occurred an explosion in the Research Laboratory Building on the campus in the portion used by the continuing project sponsored by the American Petroleum Institute. This project has been at Ohio State for fifteen years or more under the experienced direction of Professor Cecil Boord and has been one of the most fruitful researches carried on at the University.

Reports have been made of the occurrence by Professor Boord, by Thomas E. Davis, by Kenneth Greenlee and by a special committee set up by the Administration, consisting of Paul Elleman, Professor Paul Lehoczky and Professor Joseph H. Koffolt. These reports are available to the members of the Board.

This Committee also made a series of findings and recommendations which appear in the report.

In view of these recommendations it is my recommendation concurred in by Mr. Taylor and Dr. Stradley that:

(1) "Rules of housekeeping," including those set forth by the Committee, be established for the conduct of research in these and similar laboratories.

(2) That the Administration be authorized to recommend for appointment an inspection officer, similar in function to the one (Rogers) now operating in the areas dealing with atomic energy.

(3) That the Board consider the removal of the Cryogenic and the A.P.I. laboratories from the present Research Laboratory Building to a new building in a more isolated area where the dangers inherent in the types of research carried on can be localized. The Administration would like to study and report to the Board a plan for such removal.

On motion of Judge Gorman, seconded by Senator Huffman, these recommendations were approved by unanimous vote.

President Bevis presented a report on the appearance of Dr. Harold G. Rugg as the guest speaker for the Sixth Annual Boyd H. Bode Conference held July 10 and 11, 1951.

After full deliberation, Senator Bricker offered the following motion and moved its adoption by the Board:

That the President shall establish procedures

- A. Under which all proposed invitations to speakers appearing on the University campus or under University auspices, shall be submitted to his office for clearance ten days prior to the extension of the actual invitation by the individual, department or College concerned.
- B. Under which all questionnaires prepared by an individual employed by the University in a department or College

thereof and directed to students, staff, faculty or the public, shall be submitted to his office for clearance prior to issuance.

That the Board as the committee of the whole continue its study of teaching methods in the several departments and colleges of the University.

The above motion was seconded by Mr. Ketner and upon roll call was approved by unanimous vote.

* * * * *

Judge Gorman now offered the following statement and moved its approval by the Board:

The Board of Trustees finds that the invitation extended to Dr. Harold G. Rugg was not in accord with the traditions and objectives of the Ohio State University, and such action is hereby condemned.

In order to avoid recurrence of such an unfortunate incident the Board of Trustees has adopted a rule requiring that all speakers appearing on the campus shall be cleared through the President's office.

The function of the University is teaching, not indoctrination. The University must not be used as an agency of un-American propaganda.

Every effort will be made to carry out these purposes.

The above motion was seconded by Mr. Black and upon roll call was approved by unanimous vote.

General Dargusch, chairman of the sub-committee of the Board on the University Retirement Insurance program, presented the following recommendation:

That the University Retirement System be frozen as of October 1, 1950 on a compulsory basis and that the University contribute an additional 2 per cent toward the retirement of those who are covered by such system. That the University Retirement System be made optional as to all persons entering the service of the University subsequent to October 1, 1950 and that such individuals be given an election to participate. In the event they elect so to do, the University will contribute 2 per cent toward their retirement, but will contribute nothing toward the retirement of those who elect not to participate.

The University assumes no further liability for supplemental benefits with respect to those faculty members who elect not to participate in the optional program.

Upon motion of Judge Gorman, seconded by Senator Bricker, the above recommendation was approved by unanimous vote.

General Dargusch stated that in the adoption of the rule of January 10, 1949, it was the intention of the Board that a graduate in pre-law from this University or a recognized institution, be admitted to the College of Law upon application, and the rule is to be so construed. Thereupon he submitted the following letters for inclusion in the Minutes of the Board.

9-4-'51

August 25, 1951

Carlton S. Dargusch, Esq.
Chairman, Board of Trustees
The Ohio State University
44 East Broad Street
Columbus 15, Ohio

Dear Mr. Dargusch:

On July 27, 1951, I was visited by Mr. Simon P. Dunkle and his son, Peter. They came to discuss Peter's application for admission to the College of Law. I understand that you have been interested in Peter's application.

Mr. Dunkle informed me that he was your next-door neighbor and that he had been associated with you in Selective Service work.

Peter Dunkle received his A.B. from Ohio State University last June. His cumulative point hour ratio was 1.85. The normal qualitative minimum for law school admission is 2.25.

Our admission requirements, approved by the Board, authorize the University Examiner to make an exception if he is satisfied that the applicant, "in view of the scholastic and other factors bearing upon qualification to study law, has a reasonable probability of success in law study." Dr. Thompson, the University Examiner, consults me and gets my recommendation in a case where an exception is sought.

In this instance, I went over the student's record twice and tried to weigh fairly the other pertinent factors. It was and is my considered judgment that no case for an exception has been made. My recommendation to Dr. Thompson was that he be rejected. Peter Dunkle is young and, as it appeared to me, rather immature. By further pre-legal study he might yet demonstrate that he has the capacity to do superior academic work. But, as matters stand now, it is a case of one who was not successful in pre-medicine asking relaxation of standards in order to enter law school.

The Entrance Board has admitted Peter Dunkle. I think this is a mistake, and I want to be on record to that effect.

Sincerely,

S/ JEFFERSON B. FORDHAM

Dr. Ronald B. Thompson

44 East Broad Street
Columbus, Ohio
August 29, 1951

Jefferson B. Fordham, Esq.
Dean, College of Law
The Ohio State University
Columbus 10, Ohio

Dear Mr. Fordham:

This will acknowledge yours of 25 August 1951 concerning the admission of Peter Dunkle to the College of Law. I note that copies of the letter have been sent to Dr. Stradley and Dr.

Thompson. I shall do likewise with respect to this answer and in order that the record be complete will place your letter to me and my reply on file with the Board of Trustees.

I have known the Dunkles for many years and have a continuing interest where Peter is concerned. When he applied for admission to the College of Law I was asked if my name could be used as a reference, along with other friends. To this I naturally consented. Only time will tell whether his admission is a mistake, and from my knowledge of the boy, it is my considered judgment that the result will be favorable. In passing, may I say that as a matter of general principle it is inconceivable to me that the University would graduate a candidate for a degree in one department and refuse him admission to another. Either the standards of the College of Law are too high or the standards of other colleges are too low. While I realize that there is never such a thing as complete consistency, I think a reasonable consistency a virtue.

You will recall, I am sure, the events that led up to the adoption of the regulations on 10 January 1949. Prior to that time an unauthorized restriction on the admission of individuals to the law school was instituted without the approval of the Board of Trustees and a graduate of another institution, whose name I do not recall, was denied admission under the current unauthorized restriction. If I remember correctly, this individual was subsequently admitted to the law school, the matter having been brought before the Board by a now former member of the Board. The whole question of admission was rather thoroughly discussed at the January meeting and it was the intention of the Board that graduates of The Ohio State University and other institutions be admitted and if there be expressed in the present regulations any limitation in regard thereto, it was expressed in the requirement that a candidate should have an average of 2.25 on all pre-law work undertaken. This, I understood, however, was to apply to other than graduates, but a reading of the regulations discloses that the matter may be one of construction. In any event, the minimum standard is expressed as follows:

"The University Examiner is authorized to admit an applicant whose pre-law standing based on all work undertaken is at least equal to the quality of work required for graduation in the institutions attended, and in no event less than that required for graduation in this University, if he is satisfied that the applicant, in view of the scholastic and other factors bearing upon qualification to study law, has a reasonable probability of success in law study."

The decision to admit or not admit is, therefore, the responsibility of the University Examiner and not the Dean and that authority was exercised in this case after full consultation with you. I may add that I have complete confidence in Dr. Stradley and Dr. Thompson.

I have long been concerned over the tendency to place undue reliance upon marks and to ignore other qualities which are so essential to the successful practice of the profession. Of course, there must be minimum standards and you shall find me

in constant support of every proposal for the upgrading of the standards of the University so long as our purpose is to render the service to the people of this State that we were chartered to do.

I shall follow Mr. Dunkle's progress with interest and ask that you keep me advised with respect thereto.

In closing, may I say that it shall be my continued purpose as a Trustee to do those things which will bring our College of Law to its proper place in the University and in the family of universities to which Ohio State belongs.

Sincerely yours,

S/ CARLTON S. DARGUSCH, Chairman
Board of Trustees

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board and pursuant to legal advertisement, has received bids and approved the award of the following contracts and now recommends that the actions of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the offices of the Auditor of State and the University Architect and is included in the records of the University Cabinet.

Patching and Repairing Portion of C Deck (Sections 15-C to 28-C inclusive) of the Stadium

General Maintenance & Engineering Company.....\$21,774.00
 To be paid from Athletic Department Funds

Interior Painting of Old Part of Library and Radio Studios

Bohl Painting Company.....\$ 6,563.00
 To be paid from F-1 Building Repairs, H.B. 654

New Steam Line in Tunnel under Administration Building

Fuel Economy Construction Company.....\$ 38,511.00
 To be paid from G-32-1 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 655

Upon motion of Senator Bricker, seconded by Senator Huffman, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager presented the following statement:

On authority of the Board of Trustees, the University Cabinet met on June 14, 1951 for the purpose of opening bids on Addition to Research Laboratory. A detailed tabulation of the bids received is on file in the offices of the Auditor of State and the University Architect, and is included in the records of the University Cabinet.

Tabulated below are the low bids and the estimates for the several divisions of the project:

<i>Bidder</i>	<i>Amount of Bid</i>	<i>Estimate</i>
<i>General Contract</i>		
Haig M. Boyajohn & Associate.....	\$124,460.00	\$136,250.00
<i>Heating Contract</i>		
Thomas J. Croak Company.....	8,678.00	10,100.00

Plumbing Contract

Sheridan Heating & Plumbing.....	16,602.00	12,200.00
----------------------------------	-----------	-----------

Electrical Contract

McCarty Bros. Electric Company...	11,970.00	11,350.00
-----------------------------------	-----------	-----------

	<u>\$161,710.00</u>	<u>\$169,900.00</u>
--	---------------------	---------------------

It will be noted that although the total of the low bids is below that of the estimates, the low bids for the Plumbing and Electrical Divisions are in excess of the Architect's estimates. It was the opinion of the Architect that the bids received for these two divisions indicate proper competition, that the low bids are reasonable and that no more satisfactory proposals would be received if the project were readvertised. On recommendation of the Cabinet, approval of the Controlling Board was requested and granted for the award of these two contracts over the estimates. In accordance with this approval, the Director of Public Works was requested, on behalf of the Board of Trustees, to enter into the contracts note above in connection with Addition to Research Laboratory. The project is payable from G-2-A Addition to Research Laboratory, H. B. 671.

Upon motion of Senator Bricker, seconded by Senator Huffman, the above actions of the Cabinet were unanimously approved.

* * * * *

The Vice President and Business Manager presented the following statement:

On authority of the Board of Trustees, the University Cabinet met on July 2, 1951, for the purpose of opening bids on New Roadways and Parking Areas East of Baker Hall in Connection with New Buildings. The following bid was received:

*Bidder**Amount of Bid*

George J. Igel & Company, Incorporated.....	\$49,250.00
---	-------------

There were four companies that took out plans and specifications on this project and, as shown above, we received only the one bid which was in excess of the Engineer's estimate of \$46,116.60, filed with the Auditor of State. It was the opinion of the Director of Physical Plant that neither a lower bid nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the Cabinet, approval of the Controlling Board was requested and granted for the award of the contract over the Engineer's estimate, and the Director of Public Works was requested, on behalf of the Board of Trustees, to enter into a contract with George J. Igle & Company, Incorporated, for New Roadways and Parking Areas East of Baker Hall in Connection with New Buildings, notwithstanding the fact that this bid was in excess of the estimate of cost.

The project is payable from G-32-3 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 672 (\$34,250.00); and G-2-B Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 671 (\$15,000.00).

Upon motion of Senator Bricker, seconded by Senator Huffman, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University

Request

- 175—\$2,733.84 extra to Huffman-Wolfe Company for providing connections for the standby equipment, Medical Center.
- 177—\$4,968.29 extra to Huffman-Wolfe Company for providing 15 H.P. compressor for additional air supply, Medical Center.
 - 1—(a) award of Plumbing and Electrical contracts in connection with construction of Addition to Research Laboratory, notwithstanding the fact that the low bids were in excess of the estimates of cost filed with the Auditor of State.
 - (b) transfer and release of \$161,793.00 from Rotary 804 to G-2-A Addition to War Research Laboratory, H. B. 671
- 8—(a) a new account to be known as F-1-B Stadium Repairs
 - (b) transfer and release of \$21,774.00 from Rotary 804 to F-1-B Stadium Repairs, H. B. 671
- 10—transfer and release of \$1,200.00 from Rotary 804 to G-2-A Addition to War Research Laboratory, H. B. 671, for architectural services.
- 11—(a) transfer of balance (\$28,878.38) from G-32-1 Roads, Walks, Tunnels, Utility Lines, Site Improvement, Landscaping for Buildings under Construction, H. B. 655 to G-32-3 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 672.
- (b) release of total balance of \$60,104.38 in G-32-3 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 672.
- 13—release of \$36,000.00 in G-2-20 Medical Research Laboratory, H. B. 672, for architectural fees.
- 14—(a) award of contract for New Roadways and Parking Areas East of Baker Hall in Connection with New Buildings to George J. Igel & Company, Inc. at their low bid of \$49,250.00, notwithstanding the fact that this amount is in excess of the estimate of cost filed with the Auditor of State.
- (b) transfer and release of (1) \$12,725.62 from G-31-1 Power Plant Equipment to G-32-3 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 672; and (2) \$15,000.00 from Rotary 804 to G-2-G Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 671.
- 15—release of \$100,000 in G-31-7 Equipment for Health and Medical Center, H. B. 672.
- 24—transfer and release of \$25,000.00 from Rotary 804 to G-2-G Ohio Union Building and Equipment, H. B. 671, for architects' fees and equipment.
- 25—release of \$122,238.03 in G-32-4 Assessment for County Sewer Improvement No. 208, H. B. 672, for the purpose of paying this assessment.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the Skidmore, Owings and Merrill Company and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Cancer Research Laboratory	\$545,354.00	Legislative appropriation (\$300,000); and Federal grant (\$300,000)

(Note: On March 20, 1950, the Board approved the extension of the Skidmore, Owings and Merrill contract to include the preparation of plans and specifications and supervision of construction for the Cancer Research Laboratory, then estimated to cost \$535,000.00. In accordance with this approval, the plans and specifications have now been completed. However, due to increased costs of labor and material, the Architects recommended that the estimate of cost for the project be increased to \$545,354.00).

Upon motion of Judge Gorman, seconded by Senator Huffman, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimates of cost for the following projects as prepared by the Director of Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
New Roofs on a Part of Hamilton Hall, Naval Armory, Two Poultry Laying Houses, Plumb Hall, Ives Hall, Derby Hall and Hayes Hall	\$21,000.00	F-1 Roofing, H. B. 671
Traffic Control House for Medical Center	\$4,000.00	F-1 Building Repairs, H. B. 671
Exterior Painting of College Road Cafeteria, Chemistry Annexes 7-A and 7-B, Four Large Quonset Huts, Hayes Hall Studio, Small House Under WOSU Tower, and Poultry Building Including Eleven Quonsets and Forty Colony Houses	\$9,500.00	F-1 Building Repairs, H. B. 671

Interior Painting of Three Engineering Annexes	\$5,000.00	F-1 Building Repairs, H. B. 671
Washing Interior Walls of Five Buildings	\$12,500.00	F-1 Building Repairs, H. B. 671

Upon motion of Senator Bricker, seconded by Judge Gorman, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimates of cost for the following projects as prepared by the Director of Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Asphalt Pavement of Four Volleyball Courts and University School Playgrounds	\$10,000.00	Maintenance Funds

(Note: The plans, specifications and estimate of cost for this project, in the amount of \$8,500.00, were approved at the June 11, 1951 meeting of the Board. The cost of material and labor

has now risen to such an extent that the Director of Physical Plant recommends the estimated cost be increased to the above figure.)

Upon motion of Senator Huffman, seconded by Senator Bricker, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the following recommendation:

That the Board of Trustees authorize the withdrawal from the University Treasurer account the sum of \$5,000.00 to be deposited in the Huntington National Bank and to be used as a Petty Cash Account. These funds will be added to the \$25,000.00 authorized by the Board on July 1, 1946, for the payment of wages of an emergency nature and for other emergency purchases, all of which cannot be paid in a minimum of time by regular voucher procedure. Purchases will be made in accordance with the usual regulations and reimbursement of the Petty Cash Account will be made by regular vouchers drawn against the proper funds.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager presented the following statement and recommendation:

Since the new University Hospital and the College of Dentistry are now occupied and in use by the University, the University Cabinet recommends that the necessary action be taken to release Grove-Drake- Psaty, The Huffman-Wolfe Company, and the Electrical Contractors, Inc., from the insurance requirements of their original contracts for the execution of work on the several units of the Medical Center without release from any other bonds, guarantee or requirements for labor and material performance.

Upon motion of Judge Gorman, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

The President now reported to the Board the death of C. G. McBride, Professor of Agricultural Economics, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of C. G. McBride, Professor of Agricultural Economics, on June 10, 1951. Professor McBride received his Bachelor of Science degree from Penn State College in 1911 and his Doctor of Philosophy degree from Cornell University in 1922. He served as County Agricultural Agent and State Leader of boys' and girls' club work in Pennsylvania from 1912 to 1922 when he joined the Ohio State University faculty. He has been a member of the faculty ever since.

In the field of dairy marketing, Professor McBride was recognized as an authority in milk pricing. He served on national dairy industry committees, making a study of milk pricing plans and was called upon to testify in public hearings and to serve as arbiter in several of the large cities of the country. The University granted Professor McBride leave of absence to serve as secretary of the Ohio Milk Marketing Commission in 1933 and 1934. He attended two international conferences of agricultural economists in the British Isles, the last time in 1947. He took an active interest in all University affairs and gave freely of his time to graduate students and to civic organizations.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

The President now reported to the Board the death of Dr. Jacob J. Coons, Professor of Medicine Emeritus, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Dr. Jacob J. Coons on July 25, 1951. Dr. Coons was a native of Washington Court House, Ohio and received his bachelor's degree at Ohio Wesleyan University in 1898. A graduate of the Johns Hopkins School of Medicine in 1902, Dr. Coons became a personal assistant of the great teacher-clinician, Sir William Osler, at that institution. He returned to Columbus in 1904 where he established the first clinical diagnostic and pathological laboratory in central Ohio, thus setting the pattern for all subsequent laboratories devoted to this important adjunct to exact diagnosis and modern specific therapy in this part of the country.

A Diplomate of the American Board of Internal Medicine and a Fellow of the American College of Physicians, Dr. Coons became an Assistant Professor of Medicine at The Ohio State University in 1914 and full Professor in 1924. He was retired as Professor of Medicine Emeritus in 1936.

Dr. Coons was beloved by many generations of medical students and had the respect and affection of all his medical confreres. In 1921 he was awarded the honorary degree of Doctor of Science by his Alma Mater.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

The President now reported to the Board the death of George Harley McKnight, Professor Emeritus of English, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death on August 16, 1951 of George Harley McKnight, Professor Emeritus of English. Professor McKnight was born on April 24, 1871 in Sterling Valley, New York. He received his A.B. degree from Cornell University in 1892 and his Ph.D. in 1896. From 1892 to 1897 he served as Instructor at Cornell. After two years of post-doctoral study in Freiburg, Paris, and London, he came to The Ohio State University in 1899 as Assistant Professor of Rhetoric and English Language. He was appointed Professor of English in 1908.

Professor McKnight bore a distinguished reputation as a student of medieval literature and the English language. Trained in the fine philological tradition of the nineteenth century he first won recognition through his studies in early English literature and language. Notable among them were his editing of "King Horn," "Floriz and Blancheflur," and other romances for the Early English Text Society, and his books, *Middle English Humorous Tales in Verse* and *St. Nicholas, his Legend and his Role in the Christmas Celebration*. In his middle years, Professor McKnight began to center his attention on the newer scientific approach to the study of Modern English. Through his *English Words and their Backgrounds*, but more particularly *Modern English in the Making* he has come to be recognized as one of the founders of the modern theories of grammar and usage. He was a consulting editor of the *Thorndike Century Dictionary* and of *Webster's International Dictionary*, an associate editor of *Words*, and a member of the advisory board of *American Speech*. He was also a member of the Executive Council and of the Editorial Committee of The Modern Language Association.

For over forty years Professor McKnight served the University as a distinguished scholar and a conscientious and sympathetic teacher, who contributed to the growth of his students by example as well as precept. He was generous, gentle, and kind. He had the modesty, the good taste, and the moral integrity of

the gentleman. He had a profound sense of his responsibilities as a teacher and a scholar. And he loved learning. In his conscientious effort to convey to his students the results of his scholarship, he inevitably communicated what he was. His many students will remember him with kindness and gratitude and his colleagues with respect and affection.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

The President now reported to the Board the death of Dr. George B. McClellan, Assistant Professor of Dentistry, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Dr. George B. McClellan, Assistant Professor of Dentistry, on June 25, 1951. Dr. McClellan graduated from the College of Dentistry in 1923. He was a World War I veteran and carried on a successful general practice of dentistry in Columbus, Ohio. He joined the staff of the College of Dentistry at The Ohio State University in July 1942. He remained as a half-time clinical instructor until April 1, 1951, when he took a leave of absence because of illness.

Dr. McClellan took an active interest in the Ohio State Dental Association and the Columbus Dental Society. He was a member of the national honorary fraternity, Omicron Kappa Upsilon, and of Psi Omega, professional fraternity. He was a fine teacher and his death was a great loss for the faculty of the College of Dentistry at Ohio State.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

That the following miscellaneous recommendations be approved:

That Thomas C. Holy, Professor and Director of the Bureau of Educational Research, College of Education, be retired effective September 30, 1951 and be paid \$552 year year from Interest on Endowment 4002 and \$204 per year from Fund 9001 to comply with provisions for supplementary payments to University employees who participate in the University Retirement Plan, and that he be given the rank of Director Emeritus. This action rescinds the action accepting the resignation of Dr. Holy presented to the September 4, 1951 meeting of the Board of Trustees.

That T. Reese Williams, Associate Professor (part time), Department of Oto-Laryngology, College of Medicine, be retired effective October 1, 1951 with the rank of Associate Professor Emeritus. Because of Dr. Williams' part-time status and the fact that he was not a member of the University Retirement System, there is no supplementary retirement benefit.

That the following leaves of absence, without salary, be granted:

Merle E. Scheetz, Associate County Agent, Licking County, Department of Agriculture Extension, for the period October 1 to December 31, 1951 for graduate study at The Ohio State University;

Jeanette Miller, Assistant to the Director, School of Home Economics, effective November 1, 1951 for one year;

Alexander H. Schutz, Professor of Romance Languages, effective October 1, 1951 through September 30, 1952 in order that he may accept a Fulbright Research Grant;

Henry W. Moser, Professor, Department of Speech, effective October 1, 1951 for the Autumn Quarter in order that he may continue his work on a project for the Human Resources Research Laboratories of the U. S. Air Force;

Richard T. Stevens, Assistant Professor, Department of Economics, effective October 1, 1951 for the Autumn Quarter on account of illness;

Florence McCracken, Instructor, School of Music, effective October 1, 1951 through September 30, 1952 in order that she may accept a Fulbright Fellowship to study in Italy in the fields of Voice and Opera;

Robert W. Wagner, Assistant Professor of Photography, effective October 1, 1951 to October 1, 1952 in order to accept an invitation from the U. S. Department of State to go to Turkey for the purpose of preparing motion picture scripts in connection with the United States Government's Motion Picture Production program overseas.

The President now read to the Board Resolution No. 17 which was adopted at the 66th annual convention of the Ohio State Federation of Labor.

This resolution contained a request for the Board to establish a special department for promoting the study of labor problems.

Upon motion of Judge Gorman, seconded by Mr. Black, the above resolution was referred to President Bevis for further study and report back to the Board.

* * * * *

On motion of Senator Huffman, seconded by Mr. Black, the following resolution was unanimously approved:

BE IT RESOLVED, that the President be authorized in his discretion to suspend the requirement of ten days' notice as set forth in the screening rule adopted by the Board on 4 September 1951.

* * * * *

Senator Huffman now presented the following statement and moved its approval by the Board:

In view of some public misunderstanding of the action of September 4, 1951 which the Board of Trustees of The Ohio State University has today affirmed, it is desirable to specifically state the policy of the University.

As Trustees of The Ohio State University, we encourage the fullest academic freedom consistent with national security. The facilities of the University will not be made available to known Communists or members of other subversive groups who seek to undermine the basic liberties of America. We recognize no inalienable right to any freedom which has for its purpose the destruction of our government.

The University has always practiced the right in its discretion to invite only such persons as it has felt would forward the general program of education. This policy will continue in effect.

We have full confidence in the loyalty and high purpose of the President, Faculty, Students and Alumni and we feel sure that they will cooperate to the fullest extent in the administration of this protective measure.

The Board concurs in the suggestion of the President that:

1) A committee of Deans be appointed to advise with him on the administrative problems involved, and

2) That the Board of Trustees meet with a committee of the Faculty Council to discuss the resolution of the Council.

The above motion was seconded by Judge Gorman and upon roll call was approved by unanimous vote.

* * * * *

The President presented the following statement and recommendation:

On July 26, 1941, the Board of Trustees adopted a statement

presented to it by the Faculty Council on Academic Appointments, Tenure and Promotions. This resolution has been a part of the law of the University since that time and has guided the administration in the areas covered.

In the intervening ten year period, the Board has changed some of the provisions, particularly those relating to salary floors for the different ranks.

On May 18, 1951 the Faculty Council adopted a revision of the 1941 statement which has been sent to me for transmittal to the Board of Trustees.

The changes from the 1941 version are in the main those relating to salary floors. I recommend that the revised version as presented be adopted.

Upon motion of Mr. Black, seconded by Judge Gorman, this recommendation of the President was approved by unanimous vote.

Upon request of the President, Vice President Stradley presented the following report on enrollment, Autumn Quarter 1951:

The Autumn Quarter enrollment at Ohio State University is 18,415 which represents almost exactly a 10 per cent decrease as compared with one year ago. The largest enrollments among the colleges are: Commerce 2,828, Arts and Sciences 2,766, Education 2,487, Graduate School 2,340, Engineering 1,927 and Agriculture 1,425. The Twilight School enrollment is 2,006 which gives this school its largest enrollment in history. Reflecting the added facilities in the health center area, the following departments and colleges show an increase in enrollments: Dental Hygiene, Dentistry, Medicine, Nursing, Optometry and Pharmacy. As compared with last year, Twilight School enrollment increased 22 per cent while the Graduate School enrollment dropped 28 per cent. Agriculture dropped 18 per cent while Arts and Sciences, Commerce, Education and Engineering all dropped 22 or 23 per cent. Enrollments in the Colleges of Law and Veterinary Medicine decreased slightly. 13,720 men are enrolled as compared with 4,695 women.

When we considered such factors as the low birth rates during the years 1934, 1935, 1936 and 1937 together with the passing of the veteran bulge out of the University and the present Korean emergency, it seems evident that our enrollment will continue to decrease slightly for the next three or four years.

The President presented the following statement:

Pursuant to the direction of the Chairman of the Board at its last meeting at Gibraltar, I have assembled a good deal of information concerning the various phases of the operation of "Gibraltar" including the teaching phase, research phase, the social phase and the financial phase.

It is the judgment of the President's office that this material requires further study with a view to definite recommendations to the Board. I should like, therefore, to make this interim report and request further time. I think a definite report should be available for the December meeting.

* * * * *

The President presented the following statement re athletics:

Pursuant to a communication addressed to me and to the Chairman of the Board by Judge Gorman, I have brought together some information concerning football players at the Ohio State University. This information includes:

The names of all players for whom employment has been secured and the amount of compensation for each.

Specimens of the report forms required of employers.

Correspondence between the Athletic Department's office, the employers and the players concerning the satisfactory or unsatisfactory nature of their work.

A statement showing what becomes of football players, i.e., a list of all members of our squads beginning at a point ten years ago and continuing for five years, which shows the present employment or occupation of those concerned. I have in mind to secure this information for a full period of twenty years. I could not secure a complete report for this meeting.

A letter from E. R. Godfrey, Assistant Athletic Director, written at the direction of Richard Larkins, setting forth his views. Since the employment of players falls within his province, his letter is pertinent.

I think the foregoing sets forth pretty fairly the actual situation with regard to our employment program. As the report itself shows, the system has at times been abused. Failure to comply with the spirit of the system has been the exception rather than the rule and I am satisfied that Mr. Godfrey is honestly seeking to correct the deficiencies. I have told him that I thought we ought to withdraw from relationship with an employer who makes inaccurate reports or fails to require a reasonable amount of service from an athlete employed by him.

The Ohio State University is unusually fortunate in having for its recruiting ground the State of Ohio—probably the most productive area in the country. As may be observed from year to year in noting the homes of our football players, we have relatively few coming from outside the State and those generally "naturals" to come to this University. This probably accounts for our relatively successful operation of the employment system. Correlatively, it casts upon us an obligation to make the employment system work as it is intended to do.

There is one phase of the player problem about which we seem to be able to do very little. I refer to the circumstance that persons of means occasionally make completely private arrangements with students who are also athletes, to assist them through college. We can, of course, see to it that the player maintains a proper academic record and that he is treated no differently in this respect than any other student would be treated.

It is, indeed, an arguable point whether if a player maintains proper academic standards, financial assistance by a person of means is reprehensible. Were the student not an athlete, such assistance would be regarded as highly commendable.

I will only add that our situation at Ohio State, while by no means perfect, is by no means as bad as it is sometimes said to be.

The President reported that pursuant to the resolution of the Board passed at the September 5, 1951 meeting, covering the supplemental plan for retirement, an explanatory statement was prepared and sent to every member of the teaching staff.

The Business Office has prepared and is putting into use the necessary procedure for implementing the Board's resolution.

The Vice President and Business Manager reported that the Cabinet has approved the following (A) Extras to Contracts and (B) Extension of time to Contracts and recommended that they now be approved by the Board of Trustees:

(A) *Extras to Contracts*

Haig M. Boyajohn & Associates—\$386.00

Additional concrete footings for columns in basement, Addition to Research Laboratory

Original contract—\$124,460—August 9, 1951

Remodeling of Hamilton Hall and Starling-Loving Hospital Sauer Company, Incorporated—\$425.00

Necessary sheet metal remodeling and connection for installation of Radioactive Isotope Hood

Original contract—\$55,234—December 8, 1950

National Company, Incorporated—\$189.00

Necessary plumbing connection for Radioactive Isotope Hood

Original contract—\$66,700—December 8, 1950.

(B) *Extension of time to contracts*

Removal of Skylight at Pomerene Hall and Relaying Tile and New Copper Gutters at Page Hall

George Snyder & Sons Company—\$11,550.00

Contract dated—July 2, 1951

Original completion date—September 30, 1951

Recommended completion date—*November 15, 1951*

On motion of Mr. Kettering, seconded by Senator Huffman, these recommendations were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request

27—released \$5,000.00 in G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 672, to provide for services of University Architect's Office in connection with this project

30—approved payment of \$1,352.50 to Haig M. Boyajohn & Associates for performing miscellaneous extra work in connection with Remodelling of Former Service Building

42—approved transfer and release of \$2,058.00 from Rotary 804 to G-2-A Addition to War Research Laboratory, H. B. 671, to provide funds for extras and architectural services.

- 44—approved contract in amount of \$3,986.00 with Electrical Contractors, Inc. for providing electrical connections to various pieces of equipment in the new Agricultural Laboratory Building, without competitive bids.

The Vice President and Business Manager presented the following statement and recommendation:

On authority of the Board of Trustees, the University Cabinet met on September 24, 1951, for the purpose of opening bids on Asphalt Pavement of Four Volleyball Courts and University School Playgrounds. The following bid was received:

<i>Bidder</i>	<i>Amount of Bid</i>
Gerald O. Trimmer	\$13,995.00

The Engineer's estimate on this project was \$10,000.00. It is the recommendation of the Cabinet that this bid be rejected since it is so far in excess of the estimate of cost.

It is the further recommendation of the Cabinet that the plans and specifications be rechecked for possible cost reductions and that the project be readvertised in the early Spring.

This project is payable from Maintenance funds.

Upon motion of Mr. Kettering, seconded by Mr. Black, the above recommendation was unanimously approved.

* * * * *

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Raze Old Dispensary Building, Rehabilitation and Repair, St. Francis Hospital	\$2,000.00	G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 672

Upon motion of Mr. Kettering, seconded by Judge Gorman, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

* * * * *

The Vice President and Business Manager recommended the following transfers:

- A—\$2,058.00—from Rotary 804 to G-2-A Addition to War Research Laboratory, H. B. 671, to provide funds for extras and architectural services in connection with this project.

B—\$8,300.00—from Rotary 8204 Baker Hall to Rotary 12002 Additions and Betterments—Architect's Fees, to provide for salaries up to April 16, 1952, for members of the University Architect's staff in connection with the new dormitory studies.

Upon motion of Mr. Kettering, seconded by Mr. Ketner, the above transfers were approved by unanimous vote.

The Vice President and Business Manager called to the attention of the Board of Trustees the fact that the balance in the University Treasurer's account (held in the Ohio National Bank and comprising Athletic funds and those for the Dormitories and Dining Halls) has assumed a sizeable balance. This balance has for a period of over a year been greatly in excess of the \$500,000 in bonds deposited by the bank as security to cover such balances. Therefore, a temporary investment of United States Treasury Bonds, par value \$500,000.00, purchase price of \$505,937.50 and accrued interest, was made on September 11, 1951. These bonds bear interest at the rate of 2½% and have a 1956–1959 maturity, are in the name of the Ohio State University and are deposited in a safety deposit box in the University Branch of the Ohio National Bank in the name of the Ohio State University and will be sold only upon resolution by the Board of Trustees.

It is recommended, therefore, that the Board of Trustees approve this temporary investment of September 11, 1951, and authorize the Vice President and Business Manager to make a similar and further purchase of bonds with a par value of \$500,000 as a temporary investment. The purpose of such temporary investments is to provide some income while the funds are being held and to reduce the balance in the bank to more nearly coincide with the security deposited to cover such balance.

Upon motion of Mr. Kettering, seconded by Judge Gorman, the foregoing recommendation was unanimously approved.

The Vice President and Business Manager called to the attention of the Board of Trustees the fact that on September 27, 1951, bids had been received for the Cancer Research Laboratory to be constructed in the Medical Center. The base bids, as analyzed by the Architects, was \$619,846.00, which is 46% over their estimate of \$423,554.00. Half of the funds to defray the cost of this building were provided by a \$300,000 grant from the United States Public Health Service and the balance of \$300,000 was appropriated in House Bill 672. Dr. Doan has been informed by Dr. Meader, of the U. S. Public Health Service, that it might be possible to get an additional \$40,000 or \$50,000 to cover the overage in the bids over the amount of money available. The Architects have stated that cost per cubic foot on the basis of the base bids is \$2.45. This is, by far, the highest cost of any construction undertaken by the University during the current building program.

Therefore, the University finds itself confronted by the dilemma of having a much needed research facility in a critical area available only at a very high cost. The proposed building has been stripped of all its finer qualities and there remains nothing that can be done

to reduce the cost. The problem becomes one of accepting the bids which are recognized to be high or of abandoning the project altogether. To do the latter would deny the University the important use of these highly necessary facilities.

After discussion, the Board arrived at the unanimous conclusion that the University Cabinet should proceed with a recommendation to the Director of Public Works and to the State Controlling Board for the award of the contracts even though over the estimate of cost.

The President now reported to the Board the death of President Emeritus William McPherson and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its deep sorrow at the death on October 2, 1951, of William McPherson, Professor Emeritus of Chemistry, Dean Emeritus of the Graduate School, and President Emeritus of the University. With his passing at the age of 87 years, the University has lost a loyal member of its family who took a prominent part in the development of the University in the first third of this century.

Professor McPherson was born at Xenia, Ohio, on July 2, 1864. He entered the Preparatory Department of the University in 1882 and the college freshman class in 1883, and received the Bachelor of Science degree in 1887, as a member of the tenth graduating class of the University. The graduate degrees of Master of Science and Doctor of Science were conferred on him by the University in 1890 and 1895. Four years later, he was granted the Doctor of Philosophy degree by the University of Chicago. The honorary degree Doctor of Laws was bestowed on him by Wittenberg College in 1927 and by his alma mater in 1940.

Chemistry was the field of science that commanded Professor McPherson's attention in teaching and research. He was the co-author with Professor William E. Henderson of a series of textbooks in chemistry which won wide acclaim. The excellence of these books is attested by their acceptance as standard college texts in chemistry for over 30 years and through numerous revisions. Professor McPherson was active in scientific societies and took special interest in the American Chemical Society and the American Association for the Advancement of Science. In 1929, American chemists conferred on him their highest honor, the presidency of the American Chemical Society. During World War I, he served as an officer in the Ordnance Department and Chemical Warfare Service, contributing his knowledge to the chemical problems of trench warfare and the production of poisonous gases.

Concurrent with his educational and scientific interests were Professor McPherson's administrative activities in the University. He rose rapidly from the position of Assistant in the Department of Chemistry in 1892 to Professor and Chairman of the department in 1897; these appointments

he held until his retirement in 1937. He was named the first Dean of the Graduate School when it was organized in 1911 and served in this capacity until 1937. Twice he was called into the administration of the University as Acting President, in 1924 upon the retirement of President Thompson and for two years after President Rightmire's retirement in 1938.

Through the many years of Professor McPherson's academic career, he was a devoted servant to the educational and research interests of The Ohio State University. He gave generously of his time, energy and talent. It was in the period of Professor McPherson's leadership that the University grew educationally and physically, and took its place among the great universities of the country.

Professor McPherson had a warm and genial personality that endeared him to his many friends and associates. The problems of students and faculty members were sympathetically heard and his assistance was generously given. He will long be remembered for his personal attributes of kindness and nobleness of character.

The Ohio State University in the loss of a distinguished son recognizes the strength he has given his alma mater through his long career of loyal service to the educational development of the institution.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

OFFICIAL PROCEEDINGS OF THE
EIGHT HUNDRED AND FIFTY-THIRD MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, October 26, 1951

The Board of Trustees met at the Columbus Club at 6:00 p. m. in special meeting called by Chairman Dargusch, for the purpose of meeting with a Committee from the Faculty Council to discuss the resolution of the Council relating to speakers.

* * * * *

Present: General Dargusch, Chairman, Mr. Ketner, Senator Huffman and Judge Gorman.

The Faculty Council Committee consisted of Dean Hudson, Dean Fordham and Professors Earl Anderson, Don L. Demorest, J. F. Fullington, Robert Patton and Dudley Williams.

After a thorough discussion of the principles underlying the resolution, it was unanimously agreed to by both the Trustees and the Faculty Council Committee that the Committee would prepare and submit to the Trustees for its consideration a suggested program of principles and procedures to carry out the intent of the Board of Trustees, namely, that the facilities of the University will not be made available to known Communists or members of other subversive groups who seek to undermine the basic liberties of America.

That the following miscellaneous recommendations be approved:

That the effective date of the resignations of Edmund J. Blau and Donald W. Magee, Assistants in the Department of Chemistry, be changed from March 31, 1951 to March 31, 1952. This action is to correct an error in the Minutes of the September 4, 1951 Board meeting.

That the salary of Salvatore M. Marco, Professor in the Department of Mechanical Engineering, be increased for the Autumn Quarter only from \$1,920 to \$2,652 for services at the Wright Field Graduate Center. This action is to correct an error in the amount of the salary acted upon at the October 15, 1951 Board meeting.

That D. N. Kundu, Technical Assistant in the Department of Physics and Astronomy, be granted a leave of absence, without salary, effective September 1, 1951 for an indefinite period.

That upon the recommendation of the Faculty Council at its meeting on October 9, 1951 the following recommendation of the Executive Committee of the College of Agriculture be approved:

At a regular meeting of the Executive Committee of the College of Agriculture on October 4, 1951 the request of James Edward Young to have the diploma he received at Summer Convocation on August 31, 1951 changed from Bachelor of Science in Agriculture to Bachelor of Science in Food Technology was approved. Mr. Young has completed all the required courses as outlined for the degree of Bachelor of Science in Food Technology.

That the Memorandum of Agreement between The Ohio State University and the Ohio Department of Health for the purpose of conducting a Special Industrial Wastes Study, for the period November 1, 1951 through October 31, 1952, be approved;

That the Agreement between the United States Geological Survey and the Ohio Engineering Experiment Station of the Ohio State University, for investigation of Water Resources for the period July 1, 1951 to June 30, 1952, be approved;

That the Memorandum of Agreement between the State Board of Aviation, the Ohio Agricultural Experiment Station, the Agricultural Engineering Department of the College of Agriculture and the School of Aviation of the Ohio State University, be approved, effective September 6, 1951;

That the Agreement between the Franklin County Chapter of the American Red Cross and University Hospital, The Ohio State University, be approved, effective July 1, 1951;

That the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation, setting up the following projects, be reported to the Board of Trustees for information and record:

Mathieson Chemical Corporation, New York City—Investigation of a Study of Fungicides and Insecticides (to be known as the Mathieson Chemical Corporation Research Project No. 116-A—Botany);

The Velsicol Corporation, Chicago, Illinois—Investigation of Insecticidal and Fungicidal Properties of Chemical Compounds (to be known as the Velsicol Corporation Research Project No. 329—Zoology);

Air Research and Development Command, Baltimore, Maryland—Investigation of Aircraft Engine Fuels (to be known as the Air Research and Development Command Research Project No. 264—Chemistry);

Navy Department, Office of Naval Research, Washington, D. C.—Investigation of Thermodynamics of Inorganic Substances (to be known as the Navy Department, Office of Naval Research Research Project No. 283—Chemistry);

The Drackett Company, Cincinnati, Ohio—Investigation of Constituents of Soybean Proteins (to be known as The Drackett Company Research Project No. 337—Chemistry);

Office of Naval Research, Washington, D. C.—Investigation of Literature Search, Nitro Compounds (to be known as the Office of Naval Research Research Project No. 386, Amendment No. 3—Chemistry);

Navy Department, Office of Naval Research, Washington, D. C.—Investigation of Studies in Polynitro Aliphatic Synthesis (to be known as the Navy Department, Office of Naval Research, Research Project No. 396, Amendment No. 5—Chemistry);

The Upjohn Company, Kalamazoo, Michigan—Investigation of Synthesis of Cortical Hormones (to be known as the Upjohn Company Research Project No. 428—Chemistry);

Bristol Laboratories, Incorporated, Syracuse, New York—Investigation of Synthesis of Anticoagulant Compounds (to be known as the Bristol Laboratories, Incorporated Research Project No. 432, Supplement No. 1—Chemistry);

Air Force Cambridge Research Laboratories, Cambridge, Massachusetts—Investigation of Collisional Cross-Sections (to be known as the Air Force Cambridge Research Laboratories Research Project No. 464, Modification No. 1—Chemistry);

Office of Naval Research, Washington, D. C.—Investigation of Voice Communication (to be known as the Office of Naval Research, Research Project No. 398, Amendment No. 4—Speech);

Air Force Cambridge Research Center, Cambridge, Massachusetts—Investigation of Sky Noise Measurements (to be known as the Air Force Cambridge Research Center Research Project No. 480—Physics and Astronomy);

Procter and Gamble Company, Cincinnati, Ohio—Investigation of Pathogenesis of Dental Caries (to be known as the Procter and Gamble Company Research Project No. 323—Dentistry);

Office of Naval Research, Washington, D. C.—Investigation of

- Design and Construction of a Colorimeter (to be known as the Office of Naval Research Research Project No. 476—Optometry);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Research Planning and Guidance Program (to be known as the Air Research and Development Command Research Project No. 408—Psychology);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Effectiveness of Air Crews (to be known as the Air Research and Development Command Research Project No. 474—Psychology);
- Department of the Navy, Office of Naval Research, Washington, D. C.—Investigation of Survey of Training Methods (to be known as the Department of the Navy, Office of Naval Research, Research Project No. 481—Psychology);
- Air Materiel Command, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Aircraft Antennas (to be known as the Air Materiel Command, Wright-Patterson Air Force Base Research Project No. 301—Electrical Engineering);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Microwave Generators (to be known as the Air Research and Development Command Research Project No. 340—Supplement 9—Electrical Engineering);
- University of Illinois, Urbana, Illinois—Investigation of Transmission of Pulsed Radio Signals at 6.4 MC/S (to be known as the University of Illinois Research Project No. 473—Electrical Engineering);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Reflection Characteristics (to be known as the Air Research and Development Command Research Project No. 475—Electrical Engineering);
- Wright Air Development Center, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of High Temperature Ceramics (to be known as the Wright Air Development Center, Wright-Patterson Air Force Base Research Project No. 441—Engineering Experiment Station);
- Johns-Manville Corporation, New York City—Investigation of Cermets as Friction Elements (to be known as the Johns-Manville Corporation Research Project No. 484—Engineering Experiment Station);
- Office of Naval Research, Washington, D. C.—Investigation of Stress Produced by Shock Loading (to be known as Office of Naval Research Research Project No. 465—Amendment No. 1—Aeronautical Engineering);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Study of Physiology of Decompression above 63,000 feet (to be known as the Air Research and Development Command Research Project No. 248—Physiology);
- Department of the Army, Office of the Surgeon General, Washington, D. C.—Investigation of Physiological Evaluation of Mechanical Respirators (to be known as the Department of the Army, Office of the Surgeon General Research Project No. 479—Physiology).

The above twenty-six contracts for research in cooperation with Government and Industry represent a gross income of \$734,281.40.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

The Harry English Awards

Established by a trust agreement of April 29, 1949, between Harry English and the National Bank of Decatur, Illinois. The Bank, as Trustee, is to provide \$18.75 each year for the purchase of each of two Series E United States Savings Bonds, one to be awarded to the male student in the second year of the College of Law who achieves the highest scholastic standing in his class for the year, and the other to be awarded to the woman student in the College of Law, regardless of class-year, who achieves the highest scholastic standing for the year.

It is recommended that the Board of Trustees approve the participation of the University in the "Harry English Awards" on the terms formulated by the faculty of the College of Law.

From the Development Fund

\$2750 to be deposited in the following Endowment Funds:

Emil H. Arnold Fund.....\$ 250.00

Robert W. Terry Memorial Fund..... 1500.00

Kimberly Fund—Chemistry..... 1000.00

From other sources

\$3300 from the Research Corporation—to be credited to Research Corporation—Shaw Rotary 11662;

\$1700 from Research Laboratories Division, General Motors Corporation—to be credited to Rotary 11260 for General Motors Research Fellowship—Chemistry;

\$1167 from the Monarch Machine Tool Company—to be credited to Rotary 11443 for the Monarch Machine Tool Company Scholarship;

\$1365 from the National Caddie Association, Incorporated—to be credited to Student Scholarships Rotary 14803;

\$1000 from American Council of Learned Societies—to be credited to Rotary 11015 for the American Council of Learned Societies Fellowship;

\$250 from American Association of University Women—to be credited to Student Scholarships Rotary 14803;

\$150 from Northwest Columbus Kiwanis Club—to be credited to Student Scholarships Rotary 14803;

\$125 from Alpha Kappa Alpha Sorority—to be credited to Student Scholarships Rotary 14803.

That in accordance with the recommendation of the University Faculty Council, degrees be awarded at the Autumn Convocation on December 20, 1951, to the following named students who have completed their requirements therefor:

The President reported that, in accordance with the general administrative discretion vested in him by the Board, he has issued a number of interpretations of the Board's rules as follow:

(1) A faculty member may, without prior submission of names for clearance by the Office of the President, invite for appearance before his own classes such speakers as in his professional judgment and responsibility will make a proper contribution to the class work;

(2) The heads of the several religious foundations recognized by the University and serving the students of the University may, with-

out prior clearance, speak upon the campus at any time. Such individuals have a continuing association with the University somewhat similar to that of faculty members;

(3) Off-campus organizations, e.g., professional, scientific, or religious groups recognized by the University may, by prior arrangement, hold meetings on the campus without submitting the names of their speakers for clearance. Such organizations shall be solely responsible for the selection of their own speakers.

The consideration here accorded is somewhat similar to that accorded by the University to each political party, another type of off-campus organization.

Judge Gorman moved that the President's interpretation of the Speakers' Rule be approved, as being in accordance with the policy of the Board declared at the Wooster meeting (October 15, 1951).

The above motion was seconded by Mr. Black and upon roll call was unanimously approved.

A special committee from the Ohio State University Association, composed of Messrs. Thomas Patton, William Daugherty, Smith Rairdon and Fred Pride, now appeared before the Board and presented a request from the Association that the policy of having two representatives from the Alumni Association on the Athletic Board be continued.

Chairman Dargusch expressed to the Committee the appreciation of the Board for the fine presentation made.

Following consideration of the presentation as made by the Alumni Committee, Mr. Ketner presented the following resolution relating to the Athletic Board and moved its adoption:

Faculty Rule 34

The Athletic Board shall consist of nine members and shall be responsible to the Board of Trustees through the President. Five of these shall be members of the University Faculty, appointed by the President annually. They shall constitute the Faculty Committee on Athletics and Athletic Eligibility. Two members shall be Alumni of the University and shall be elected by the Ohio State University Association annually. Two members shall be students of the University elected by the Student Senate annually.

Subject to the general authority of the Board of Trustees the Athletic Board shall be charged with the development of policy governing intercollegiate and intramural athletics. It shall recommend to the President the appointment of a Director of Athletics for submission to the Board of Trustees. All other appointments shall be made in the usual manner by the Board of Trustees after nomination by the President upon recommendation of the Director of Athletics following consultation with the Athletic Board. All schedules shall be approved by the Athletic Board. It shall make an annual report to the University Faculty Council.

The Director of Athletics shall have immediate direction of intercollegiate and intramural athletics and shall be responsible to the Athletic Board therefor. It shall be the duty of the Director to arrange the schedules of intercollegiate and intramural contests, subject to the approval of the Athletic Board. The Director shall supervise all trips and make all arrangements for the carrying on of intercollegiate and intramural contests.

The annual budget of the Athletic Department shall be prepared by the Director of Athletics in accordance with University procedures following consultation with the Athletic Board. All expenditures of the Athletic Department shall be accomplished in accordance with University procedures under the general supervision of the Business Manager.

The Athletic Physical Plant and employees thereof shall be under the jurisdiction of the Director of Physical Plant and shall be administered under the rules and regulations of the Board of Trustees. An appropriate charge for this service will be made to the Athletic Department Rotary.

The above motion was seconded by Senator Huffman and upon roll call was unanimously adopted.

The Vice President and Business Manager presented the following statement:

On authority of the Board of Trustees the University Cabinet met on October 23, 1951 for the purpose of opening bids on New Roofs on a Part of Hamilton Hall, Naval Armory, Two Poultry Houses, Plumb Hall, Ives Hall, Derby Hall, and Hayes Hall. The following bid was received:

<i>Bidder</i>	<i>Amount of Bid</i>
George Snyder and Sons Company	\$22,602

The engineer's estimate for the above project was \$21,000. There were five companies that took out plans and specifications on this project and, as shown above, we received only the one bid which was in excess of the estimate of cost filed with the Auditor of State.

It was the opinion of the Director of Physical Plant that neither a lower bid nor wider competition would be obtained if the project were readvertised. In accordance with the recommendation of the Cabinet the Controlling Board has been requested to authorize the Ohio State University to enter into a contract with George Snyder and Sons Company for New Roofs on a Part of Hamilton Hall, Naval Armory, Two Poultry Houses, Plumb Hall, Ives Hall, Derby Hall and Hayes Hall, notwithstanding that this bid was in excess of the estimate of cost.

The project is payable from F-1 Roofing, H.B. 671.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board and pursuant to legal advertisement, has received bids and approved the award of the following contracts and now recommends that the actions of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the offices of the Auditor of State and the Director of Physical Plant and is included in the records of the University Cabinet:

Washing Interior Walls of Three Buildings

Buckeye State Window Cleaning Company—\$12,424

To be paid from F-1 Building Repairs, H.B. 671

Interior Painting of Three Engineering Annexes

Art Kraft Decorators, Incorporated—\$4,830.00

To be paid from F-1 Building Repairs, H.B. 671

Exterior Painting of College Road Cafeteria, Chemistry Annexes 7-A and 7-B, Four Large Quonset Huts, Hayes Hall Studio, Small House under WOSU Tower, and Poultry Building Including Eleven Quonsets and Forty Colony Houses

Bexley Decorating Company—\$6,477.00

To be paid from F-1 Building Repairs, H.B. 671

Upon motion of Senator Huffman, seconded by Mr. Ketner, the above actions of the Cabinet were approved by unanimous vote.

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request

45—release of \$6,169.08 in G-32-2 Assessment for Gabel Tile Ditch in Perry Township, H.B. 672, for the purpose of paying this assessment.

47—payment of \$2,014.81 to Huffman-Wolfe Company for installation of laboratory equipment in new University Hospital.

- 48—transfer and release of \$3,000.00 from Rotary 804 to G-2-D Field House, H.B. 671, for architectural services.
- 51—transfer of \$1,033.05 from G-2-18 Addition to and Remodeling of Industrial Engineering Building to G-2-19 Addition to and Remodeling of Hamilton Hall, Remodeling of Starling-Loving Hospital and Equipment, H.B. 672, to provide for extras.
- 53—\$1,020.00 extra to Struck Construction Company for providing eight sub-divisions in a storage room, New Student Union.
- 55—(a) award of contracts for Cancer Research Laboratory, notwithstanding the fact that low bids were in excess of the filed estimates of cost.
- (b) release of balance of G-2-20 Medical Research Laboratory,, H.B. 672.

The Board now recessed for luncheon and inspection of the Medical Center.

The Board resumed its session, with the same members present as at the morning meeting.

The Vice President and Business Manager recommended that there be transferred \$3,000.00 from Rotary 804 to G-2-D Field House, H.B. 671, to provide funds for architectural services in connection with this project.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above transfer was approved by unanimous vote.

* * * * *

The Vice President and Business Manager presented requests from the Director of the Laboratory Supply Stores and the Director of the Stores and Receiving Department that application be made to the State Records Commission for authority to destroy certain obsolete and useless records. These records include the following: campus delivery sheets, receiving sheets, department, pro-rata and rotary purchase slips, student locker cards, hospital charges, food invoices, cash sales slips, cash register tapes and orders on stores, for the period 1917 to 1945, now stored in the Central Service Building and University Hall.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the Board approved making the application to the State Records Commission.

* * * * *

The Vice President and Business Manager presented the request of Professor H. L. Johnston, of the Department of Chemistry, that there be transferred \$25,000 from Chemistry Department Shop Rotary 15952 to Chemistry Department Rotary 13130 for operating expenses. This request has the approval of the Acting Dean of the College of Arts and Sciences.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above-mentioned transfer was approved by unanimous vote.

* * * * *

The Vice President and Business Manager recommended that the following employees of the University be appointed Special Police Officers in accordance with Section 4863-3-4 of the General Code of Ohio:

Charles Mustard
 Herbert J. Williams
 Charles Merrill
 Clarence L. Williams
 Curtis B. McKee
 Frank M. Johnston

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

Senator Huffman offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be called for redemption on December 15, 1951, Men's Dormitory Construction Revenue Bonds in the amount of \$20,000 being bonds Nos. 46 through 65 inclusive, and that the Vice President and Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Judge Gorman and upon roll call was unanimously approved.

Senator Huffman offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be called for redemption on December 15, 1951, Women's Dormitories Construction Revenue Bonds in the amount of \$13,000 being bonds Nos. 12 through 24 inclusive, and that the Vice President and Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Judge Gorman and upon roll call was unanimously approved.

Senator Huffman offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be repaid to the Treasury of the State of Ohio on December 15, 1951, a portion of the \$500,000 Dormitory Construction Loan (Stadium) amounting to \$17,000 or half of the required annual payment.

The above action is in accordance with the provisions of House Bill 477 for Dormitory Construction, passed by the Legislature July 6, 1945 and approved by Governor Lausche on July 18, 1945.

This motion was seconded by Judge Gorman and upon roll call was unanimously approved.

The President now reported to the Board the death of Santiago Gutierrez and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased:

The Board of Trustees expresses its sorrow at the death of Santiago Gutierrez, Emeritus Assistant Professor of Romance Languages, on October 21, 1951, at Heredia, Costa Rica. Professor Gutierrez received a B.A. from San Luis College, Barcelona, Spain, in 1893; Licentiate of Sciences, University of Lyons, France, in 1897; LL.B., Columbus Law School, 1927. He was a Professor of Chemistry, Liceo and College of Senioritas, San Jose, Costa Rica from 1905-1916, and an Instructor in Spanish, University of Kansas, 1916-1917. He joined the teaching staff of The Ohio State University in 1917 as an Instructor in Romance Languages and was promoted to Assistant Professor in 1919. He taught at summer sessions at the University of Chicago, the University of Colorado and Cornell University. He retired as Emeritus Assistant Professor in 1944.

An excellent teacher in his field, Professor Gutierrez took an active interest in the students with whom he came in contact and did much to advance the study of Spanish culture on the campus.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet Monday, December 10 at 9:30 A. M. at the University.

EIGHT HUNDRED AND FIFTY-FIFTH MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, November 16, 1951

The Board of Trustees met at the Columbus Club at 6:00 P. M. in special meeting called by Chairman Dargusch for the purpose of having a second conference with the Committee from the Faculty Council, regarding speakers on the campus.

* * * * *

Present: General Carlton S. Dargusch, Chairman, Senator James W. Huffman, F. G. Ketner, Senator John W. Bricker and President Howard L. Bevis.

All members of the Faculty Council Committee were present, namely, Dean N. Paul Hudson, Dean Jefferson B. Fordham and Professors Earl Anderson, Don L. Demorest, J. F. Fullington, Robert Patton and Dudley Williams.

* * * * *

The Committee presented a proposed resolution for the consideration of the Board and also a proposed statement for publication in case an agreement is reached on the proposed resolution.

Following a careful consideration of the resolution and statement as presented by the Committee, Chairman Dargusch indicated that these documents will now be sent for study to those members of the Board who were unable to attend this meeting and that action thereon will be taken at the next meeting.

* * * * *

Thereupon the meeting adjourned.

Attest:

(Signed) CARL E. STEEB,
Secretary

(Signed) CARLTON S. DARGUSCH,
Chairman

President Bevis presented the following statement:

On the evening of November 16, 1951 a second meeting was held

between the Committee of the University Faculty Council and the Trustees on the general subject of the invitation of speakers to the University campus. Prior to this meeting, the Faculty had been advised of the approval by the Board of the "interpretations" which I had recommended to the Board at its meeting of November 12, 1951.

The members of the Faculty were also advised of the Board's approval of my suggestion that the circulation of questionnaires could best be administered as a matter of departmental responsibility under the usual administrative procedures.

At the second meeting of the Faculty Council committee and the Trustees, a proposed resolution was presented by the Faculty representatives for the Board's consideration. This resolution was taken under advisement at that meeting.

Since that conference, I have had a number of talks with members of the Faculty committee and with the Chairman of the Board of Trustees. I have also discussed the matter with a good many other Faculty members and with the members of the President's Office.

As a result of these considerations, I have suggested two modifications of the language in the Faculty committee's proposal and am led to believe that both the Faculty members and the Trustees have thought favorably of these suggestions.

I am, therefore, recommending to the Board of Trustees for its consideration, the following statement:

The President reported that in accordance with the general administrative discretion vested in him by the Board, he proposed to issue a further interpretation of the Board's rule of September 4, 1951 and October 15, 1951 covering the matter of guest speakers as follows:

I. Procedures

The responsibility for initiating an invitation to an individual to speak on the campus or under University auspices and the determination of the fitness of such an individual to speak under such circumstances is now and has always been primarily a faculty responsibility subject to University administrative procedures. If a faculty member proposes to have someone speak on the campus or under University auspices and there exists a doubt as measured by generally accepted standards as to whether the proposed action would be in the best and over-all interest of the University, appropriate action through channels shall be initiated by the faculty member concerned. In case of doubt, as indicated above and before the invitation is issued, the faculty member concerned shall consult with his colleagues and cause the matter to be referred through his appropriate department chairman and dean to the President's office for advice and action. This procedure shall be observed also by a faculty member acting as an accredited adviser to a student organization.

II. Committee on Evaluation

That a standing committee be established to be known as the Committee on Evaluation and to consist of nine members, namely the President of the University, the three Vice Presidents and five members of the Faculty, elected by the Faculty Council. The President shall be Chairman of the Committee. The purpose of the committee shall be to evaluate the functioning of the aforesaid policy of responsibility as expressed in Part I, to ascertain whether adequate oppor-

tunities are being provided for full expression of the different points of view, and whether the Nation, the State and the University are being properly served in University public discussion and to make suggestions and recommendations concerning the carrying out of the stated policy. The committee shall meet at any time on the call of the Chairman or any five members and shall annually make a general evaluation and report for the preceding year.

III. Principles

The University favors the fullest academic freedom consistent with its educational program and national security. It believes that steadfast adherence to the principles of free discussion and investigation, with equal responsibility, is the corner-stone of such an institution in a free society; that the continued strength of the educational process depends upon an unqualified dedication to our traditional freedoms and the preservation of the moral and intellectual integrity of the teacher. In America, in contrast to most of the world, the molding of the lives of our young people outside the family circle is largely entrusted to the teacher and the church and we hold inviolate the right of a teacher to discuss fully and freely all aspects of his subject, observing that honesty and objectivity must always be cardinal principles in teaching, and that one who is not free in conscience has neither the right to teach nor to speak. That judgments as to what constitute "generally accepted standards" will vary with the times and places and, without attempting to define or limit the phrase, there is general agreement that those who are subversives or those who are allied to them in purpose or action or those whose views do not contribute to the University's educational program are not acceptable as speakers.

Upon motion of Senator Huffman, seconded by Senator Bricker, the Board by unanimous vote approved the interpretations as stated above by the President.

* * * * *

Vice President Heimberger now presented a progress report on his study of the Franz Theodore Stone Institute of Hydrobiology and indicated that the complete report will be presented to the Board at its January 1952 meeting.

* * * * *

On the suggestion of the Chairman of the Board, it was moved by Senator Bricker, seconded by Mr. Ketner, that a suitable policy of insurance or indemnity be taken out to cover the official acts of the President and that the Vice President and Business Manager be instructed to carry the foregoing into effect.

The above motion was approved by the unanimous vote of the Board.

* * * * *

The President brought to the attention of the Board an excerpt from a letter written by Mr. Willard Kiplinger, as follows:

"On investment policy, it seems perfectly clear to me that the course ought to be what I suggested to the Board of Trustees, and it is this: Have the Board of Trustees appoint an investment committee to study investment policy for University funds—not of the past, not of the present, but of the future. Let this committee include a representative or

two of the Board of Trustees and a faculty member or two and a couple of practical investment experts located in Ohio, preferably alumni, and Jake Taylor. Such a committee can have a variety of brains, and can represent several different angles, and it will surely bring forth a set of ideas different from the ideas of the past. I don't see any acute need for rushing into the appointment of this committee, but I do think the Board of Trustees ought to do something about it at one of its forthcoming meetings, and if it doesn't, I shall do some prodding."

After discussion on the President's recommendation that such a committee be appointed, Mr. Ketner moved that the Chairman appoint said Committee and that Chairman Dargusch serve as its Chairman.

This motion was seconded by Senator Huffman and upon roll call was unanimously approved.

The Vice President and Business Manager presented the following statement and recommendation:

12-10-'51

On authority of the Board of Trustees, the University Cabinet met on September 27, 1951, for the purpose of opening bids on the Cancer Research Laboratory. The bids received are tabulated as follows:

GENERAL CONTRACT

<i>Firm</i>	<i>General Base</i>	<i>Add 1 Bay</i>	<i>Add 2 Bays</i>	<i>Add 3 Bays</i>

ELECTRICAL CONTRACT

<i>Firm</i>	<i>Base</i>	<i>Omit BR Piping</i>	<i>Add 1 Bay</i>	<i>Add 2 Bays</i>	<i>Add 3 Bays</i>
Electrical Contrs. Inc....	\$ 65,666	\$ 1,523	\$10,660	\$21,109	\$27,203
Architects' Estimate	\$ 48,933	\$ 675	\$ 7,600	\$15,200	\$22,800

It will be noted that the low base bid is considerably in excess of the estimate of cost. However, the tabulation of bids would indicate that there was good competition and the architects inform us that if these bids are rejected, no better competition can be secured nor are there are items which can be taken out of the base bid to reduce the cost.

As a result of Board action on October 15, 1951, authorization for the award of these contracts was requested and obtained from both the Director of Public Works and the State Controlling Board. In accordance with this authorization and in view of the fact that sufficient funds are now available, it is recommended that the contracts be awarded as follows:

<i>Bidder</i>	<i>Division</i>	<i>Amount</i>
Haig M. Boyajohn & Associates	General Contract	\$332,700
National Company, Inc.	Heating Contract	139,680
Sauer Company, Inc.	Plumbing Contract	81,800
Electrical Contractors, Inc.	Electrical Contract	64,710

Funds for the project are provided as follows: \$300,000 in G-2-20 Medical Research Laboratory, H. B. 672 (appropriation by State

Legislature), and \$357,000 in G-2-E Medical Research Laboratory, H. B. 671 (\$300,000 from U. S. Public Health Service and \$57,000 from Kettering Foundation).

Upon motion of Senator Bricker, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported that, through the generosity of Mr. Charles F. Kettering, a member of the Board of Trustees, the Kettering Foundation had made a grant to the University of \$57,000 to piece out funds for the award of contracts for the Cancer Research Laboratory. This gift was highly significant in that it enabled the University to take advantage of the grant from the U. S. Public Health Service of \$300,000 and the appropriation by the State Legislature of \$300,000 for this purpose. Thus, in this important activity, we have private funds, state funds, and federal funds joined to produce a facility sorely needed on this campus. It is with deep appreciation to Mr. Kettering that this gift is reported.

The Board of Trustees, in approving the award of the contracts for the Cancer Research Laboratory on motion of Senator Bricker, seconded by Senator Huffman, extended to Mr. Kettering its warm and sincere thanks for this further great interest on his part in the development of the University.

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request

- 56—approved award of contract for New Roofs on a Part of Hamilton Hall, Naval Armory, Two Poultry Houses, Plumb Hall, Ives Hall, Derby Hall, and Hayes Hall to Geo. Snyder & Sons Company at their low bid of \$22,602, notwithstanding the fact that this bid is in excess of the estimate of cost filed with the Auditor of State.
- 57—approved purchase of 36.3 tons of reinforcing steel from Truscon Steel Company at a cost of \$4,172, without competitive bids, for use in the Addition to War Research Laboratory.
- 60—approved transfer and release of \$357,000 from Rotary 804 to G-2-E Medical Research Laboratory, H. B. 671, for the purpose of awarding contracts.
- 61—approved transfer and release of \$809.74 from G-2-18 Remodeling Industrial Engineering Building to G-32-3 Roads, Walks, Tunnels, Utility Lines and Landscaping, H. B. 672, for extra to contract and engineers' fees.
- 64—approved release of \$1,400.00 in G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 672, to provide funds for survey of existing electrical installation at St. Francis Hospital.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the Director of Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable From</i>
Replacing of Existing 24-in. Wood Stave Condenser Lines with Cast Iron Pipe	\$25,000	E-9 Power Plant, H. B. 671
Interior Painting of Hamilton Hall and M Wing of Starling-Loving Hospital	\$36,000	F-1 Building Repairs, H. B. 671

Upon motion of Senator Huffman, seconded by Senator Bricker, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable From</i>
Miscellaneous Remodeling in Brown Hall for the School of Architecture	\$ 4,000	G-2-21 Rehabilitation of Existing Building, H. B. 672
Remodeling of Former Bus Garage for the School of Architecture	\$34,000	G-2-21 Rehabilitation of Existing Building, H. B. 672
Miscellaneous Remodeling and Refinishing in Portions of Wing B and Wing M, Starling-Loving Hospital, for the School of Nursing	\$10,000	G-2-21 Rehabilitation of Existing Building, H. B. 672

Upon motion of Senator Huffman, seconded by Senator Bricker, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Vice President and Business Manager recommended that a transfer be made from Rotary 804 to G-2-E Medical Research Laboratory, H. B. 671, in the amount of \$357,000. Of this amount,

\$300,000 is an advance on the grant from the National Cancer Institute and will be repaid as construction costs are incurred, and \$57,000 represents the grant from the Kettering Foundation.

Upon motion of Senator Bricker, seconded by Mr. Kettering, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager presented the following statement and recommendation:

On October 18, 1949, the Board of Trustees approved the employment of Bellman, Gillett and Richards, of Toledo, to draw the plans and supervise the construction of the proposed auditorium, at a rate not to exceed 6 per cent of the target amount of \$2,500,000.

As reported to the Board on November 20, 1950, the architectural fee for the preliminary drawings will amount to approximately \$25,000.00. The contract for this preliminary work is now ready for signature and in order that funds will be available, it is requested that the Board of Trustees authorize the transfer of \$25,000.00 from Bookstore Rotary 15951 to General University Fund 12261 and from General University Fund 12261 to H. B. 671, G-2-F Auditorium.

Upon motion of Senator Bricker, seconded by Mr. Kettering, the above recommendation was approved by unanimous vote.

Ohio Union and Pomerene Board of Control Funds

The Vice President and Business Manager, at the request of the President, made the following statement and recommendation:

By previous action the Board of Trustees directed that the money held in the University Treasurer's account representing Athletic funds, Dormitory and Dining Hall funds be placed in the State Treasury by June 9, 1952. There remain at the present time only the funds held for the Ohio Union and the Pomerene Board of Control in depositories outside the University Treasurer's account. These two accounts are in separate bank accounts and not under the direct supervision of the Business Office nor are they audited by the Auditor of State, as are all other funds.

It is recommended, therefore, that the funds of the Ohio Union and those of the Pomerene Board of Control be placed in the University Treasurer's account as of January 2, 1952 and that these funds be placed in the State Treasury at the same time other University Treasurer's funds are so deposited.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the above recommendation was approved by unanimous action of the Board.

The Vice President and Business Manager made the following report on the optional features of the University Retirement System for new faculty members, as provided in the Board action of September 4, 1951. There were 207 members who exercised this option. Of these, 104 elected to enter the plan and 103 elected to stay out. Of those who entered the plan, 56 chose the Columbus and Midland Companies and 48 chose the John Hancock Life Insurance Company. The salaries of the 104 members entering the plan were increased at the rate of 2 per cent of the annual salary up to \$5,000 effective November 1, 1951.

The Vice President and Business Manager recommended that the entering date for new entrants into the University Retirement plan, whether new faculty members or those who previously did not exercise the option to enter but who otherwise are still eligible, be set at the beginning of a budget year. This would mean that there would be but one starting date for new entrants into the plan, as is the case of Blue Cross, and eligible faculty members would not be permitted to join at other times during the year.

On motion of Mr. Kettering, seconded by Senator Bricker, this recommendation was approved by unanimous vote.

* * * * *

The Vice President and Business Manager proposed the following further change in the Board's rule relative to the University Retirement System: that those members of the University staff holding membership in the University Retirement System, who retire December 31, 1951 and thereafter, be paid a supplementary benefit from Fund 9001 equal to \$8.00 a year for each year served after attainment of age 45—the amount to be raised, if necessary, to the nearest figure divisible by 12. Under this plan, those who have been continuously employed since reaching 45 years of age and retire at 70 will receive \$204; at 65, \$168; at 60, 120. This action amends the resolution passed by the Board on May 8, 1950, and conforms to the formula by which supplementary benefits paid to retirants from Interest on Endowment 4002 are established.

Upon motion of Judge Gorman, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

* * * * *

The Vice President and Business Manager called the attention of the Board of Trustees to the fact that the University Cabinet had been, in association with the administration of the College of Medicine, giving earnest consideration to the proper utilization of the space in the B-Wing of Starling-Loving Hospital. At this date, it seemed that the College of Medicine would recommend that the best temporary use of the B-Wing would be as follows:

First Floor—Staff offices

Second Floor—School of Nursing

Third and Fourth Floors—Living quarters for residents and interns

In this connection, it should be pointed out that Dr. Wilce and Vice President Stradley were of the opinion that suitable quarters could be found in the old Union Building for Student Health, thus relieving the space on the first floor of the B-Wing of Starling-Loving Hospital. This change was entirely acceptable to Dean Doan.

The Vice President and Business Manager recommended that the Board of Trustees now authorize the President to assign space on a temporary basis in Starling-Loving Hospital, previous actions of the Board of Trustees to the contrary notwithstanding. This recommendation was based on the desire to (a) use the facilities of the Medical Center to the utmost, and (b) facilitate the program of the College of Medicine in providing clinical training for its larger classes of doctors.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above motion was approved.

* * * * *

Among the temporary buildings placed upon the campus in 1946, were nine two-story buildings that were erected by the Federal Works Agency and title to these buildings was transferred to the Ohio State University. Inasmuch as these buildings have served their original purpose of providing quarters for the education of veterans and due to the further fact that they have become expensive to maintain, it is proposed that a schedule of demolition of these buildings be set up. The schedule would provide for the demolition of the buildings in approximately this order:

- 1—Two-story building back of Page Hall, at once
- 2—Two-story building north of Botany and Zoology Building and the four two-story buildings opposite the President's home, by September 1, 1952
- 3—Three two-story buildings north of Electrical Engineering Building, during the year 1952-1953.

These buildings will be disposed of by taking bids from concerns whose business it is to wreck buildings and the most favorable bid to the University will be accepted.

Upon motion of Judge Gorman, seconded by Senator Bricker, the above schedule was approved.

* * * * *

The Vice President and Business Manager reported that some time previously the Board of Trustees had requested the President and the University Cabinet to have a design prepared for a University Flag and that such design be brought before the Board of Trustees for their consideration. The task of designing the flag was assigned to Mr. Howard Dwight Smith, University Architect. He prepared a series of sketches of proposed designs and such sketches were studied by the University Cabinet. Inasmuch as the Cabinet feels that a report can now be made, it has asked Mr. Smith to present the sketches, giving background and evolution of the proposed design. Mr. Smith joined the meeting at this juncture and presented the design of the proposed flag to the Board of Trustees and gave a brief statement as to the origin and development of it. The Board of Trustees expressed its appreciation to Mr. Smith for his excellent work.

Upon motion of Senator Bricker, seconded by Mr. Kettering, the design was approved by unanimous vote, and the Cabinet was instructed to proceed to procure the necessary flags from the design.

The Vice President and Business Manager reported that on May 7, 1951, the Board of Trustees authorized President Bevis to sign a revised Memorandum of Agreement with the State Department of Public Health covering additional services to be provided by the University for the Tuberculosis Receiving Hospital which is a part of the Medical Center.

For the Board's information, such agreement has now been signed and approved by the Attorney General under date of December 6, 1951.

Judge Gorman presented the following resolution and moved its approval:

That the Board recommend that the President in conjunction with the Athletic Board co-operate to the fullest extent with such commit-

tees as are making studies of the collegiate athletic situation for the purpose of re-establishing the fullest public confidence in intercollegiate athletics.

That the President report from time to time of any progress made on matters which he feels should be called to the attention of the Board of Trustees, and that he be authorized to take such action as he deems may be necessary in the premises.

The above motion was seconded by Mr. Kettering and upon roll call was approved by unanimous vote.

The President now reported to the Board the death of Joel S. Coffey, Professor of Animal Husbandry, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Joel S. Coffey, Professor of Animal Husbandry, on November 17, 1951. Professor Coffey was born on a farm near Rugby, Indiana. He studied at the University of Illinois where he received the degree of Bachelor of Science in Agriculture in 1912. From 1912-1914 he taught animal husbandry at Purdue University. He joined the staff of The Ohio State University in the autumn of 1914 and taught here until his death except for some summer teaching at the University of Iowa in 1913-1914 and 1917. This past September he completed his 37th year of service at Ohio State. He taught the freshman Animal Husbandry classes and was in charge of swine production operations.

Professor Coffey's services as a judge of swine were sought by fair managements everywhere. He judged state fairs and national exhibitions in many states and served as judge at the International Livestock Show at Chicago, the Pacific International at Portland, the National Barrow show at Austin, Minnesota, and at three national swine shows. He served as secretary of the Ohio Swine Producers Association for many years, was a regular contributor to several swine publications and was co-author of a book entitled "Livestock Management." He was a member of the American Society of Animal Production.

Professor Coffey was a fine teacher and his death is a blow to the Department of Animal Husbandry. The students, alumni, and swine breeders of the state and nation believed in him and looked to him for counsel and leadership.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

The President now reported to the Board the death of Wilfred J. Fleig, Professor of Accounting, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Wilfred J. Fleig, Professor, Accounting, on November 19, 1951. Professor Fleig studied at the University of Missouri and at the University of Iowa, receiving the Bachelor of Science in Commerce degree from the latter in 1929. He continued his studies at Iowa for one year of graduate work, after which he engaged in public accounting in the St. Louis office of Ernst & Ernst and in the Sioux City, Iowa, office of Williams, Wilson & Company. In the autumn of 1936 he came to The Ohio State University as an instructor in accounting and was advanced to assistant professor in 1945, associate professor in 1947 and professor in 1950. He was a certified public accountant in Iowa and Ohio. During the years 1942-1944 he was granted military leave from the University to accept a commission and active duty in the Army Exchange Service.

An active member of many professional organizations, Professor Fleig was well known among accountants—industrial, public, and teaching—not only in the localities in which he lived and worked but throughout the United States. As a member of the Committee on Education of the Ohio Society of Certified Public Accountants he developed and directed the first local program sponsored by that organization for aiding and guiding candidates for the C.P.A. examinations. This was quickly copied by each of the local chapters of the Society and the success of the enterprise has been so outstanding that it is now firmly established as a continuing venture throughout the state and has attracted nationwide interest in other state societies. As an associate director of public relations of the Columbus chapter of the National Association of Cost Accounting he worked faithfully and effectively for that organization and in addition served in various capacities in the discussion form meetings of the local chapter. He was the chairman of the first committee on visual aids in connection with instruction in accounting established by the American Accounting Association. He was a co-author of a text in elementary accounting.

Professor Fleig's excellent instruction, cheerful disposition, enthusiastic interest, and keen insight into the problems of his students won for him the highest place in the hearts of his students. His prodigious capacity for work, willingness to assume large responsibilities beyond the call of duty, and his effectiveness in getting any job done well, together with a ready wit, enjoyment of a simple life, and love of nature endeared him to his colleagues.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

The President now reported to the Board the death of Dr. Luke V. Zartman, Clinical Professor of Surgery, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Dr. Luke V. Zartman on November 27, 1951. His passing has deprived the Department of Surgery, in the College of Medicine in this University, of one of its long-time, faithful teaching members. An Arts College graduate of the Ohio State University in 1906, Dr. Zartman received his medical degree from the Johns Hopkins Medical School in 1910. After a period of further training in the field of his special interest, he returned to Columbus where he continued to practice surgery and to participate in and later direct the activities of the College of Medicine in its teaching affiliation with St. Francis Hospital. As Professor of Clinical Surgery he was on the Staffs of both the University and St. Francis Hospitals, and served as Chief of Staff at St. Francis Hospital for the academic year July 1, 1949 to June 30, 1950.

The University, and particularly the Faculty of the College of Medicine are deeply indebted to Dr. Zartman for his long period of faithful service, and the Board of Trustees expresses to the family its deep sympathy and understanding of its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

That the following miscellaneous recommendations be approved:

That the portion of the salaries of William Thomas Buckingham, Research Associate, \$1,596 per year, and Jefferson Frank Duncan, Machinist, \$360 per year, both employed in the Engineering Experiment Station and paid from Rotary 13230, be transferred to A-1 for the period January 1 through June 30, 1952. With this action the entire salaries of both men, \$4,008 for Buckingham and \$3,384 for Duncan, will be paid from A-1 funds during the period.

That Dr. Oram C. Woolpert be appointed to the position of Executive Director of the Research Foundation, vacated by Dr. James S. Owens, who has accepted a position as Assistant to the Manager, Ceramic Division, Champion Spark Plug Company, at an annual salary of \$13,008.00 effective February 1, 1952. It is further recommended that Dr. Woolpert be appointed Professor of Bacteriology, but that he receive no compensation in addition to his salary as Executive Director.

That, concurrent with the appointment of Oram C. Woolpert as Executive Director of the Research Foundation and Professor of Bacteriology, the name of the Department of Industrial Research be changed to Department of Sponsored Research and that the department be moved from the General Division to the University Division.

That the following leaves of absence, with salary, be granted for members of the Agricultural Extension staff:

Lester L. Arnold, Associate County Agent, Muskingum County, for the period February 1, 1952 to May 31, 1952, for graduate study at the University of Wisconsin;

Harriet Green, Home Demonstration Agent, Coshocton County, for the period February 1 to June 15, 1952, for graduate study at Teacher's College, Columbia University;

Margene Moore, Home Demonstration Agent, Medina County, for the period February 1 to May 31, 1952, for graduate study at Washington State College;

Marie Walters, Assistant State Home Demonstration Leader, for the period February 1 to June 15, 1952, for graduate study at Cornell University.

That Dr. Harry H. Postle, Assistant Professor in the College of Dentistry, be granted a military leave of absence, effective January 1, 1952.

That upon the recommendation of the University Faculty Council at its meeting held on November 13, 1951, the following person be awarded an honorary degree at the March Convocation, 1952:

Francis William Coker—Doctor of Laws

That the action of the Board of Trustees, at its meeting held on June 6, 1947, regarding registration as a special student in the College of Medicine be revised as follows:

"That registration as a special student in the College of Medicine be permitted in any quarter with fees comparable to those charged to a student in the Graduate School. Special registration shall not be considered as quarters of residence in the College of Medicine."

This ruling will be applicable to students carrying a reduced schedule or to a student registered for special or elective work with permission of the Executive Committee of the College of Medicine.

That the provisions for Bownocker Scholarships be changed from the present stipend of \$600 per annum to one of \$800, and from restriction to students with one year of graduate work to availability for beginning graduate students of outstanding ability; and that the statement in the Bulletin of the Graduate School be changed to read:

"A fellowship and one or more scholarships may be provided from funds bequeathed by John A. Bownocker, an alumnus of The University and late Professor of Geology. The fellowship, which is open only to students who have done at least one year of graduate work, has an annual value of \$1,000. A scholarship has the annual value of \$800 and may be awarded to a beginning graduate student who has demonstrated outstanding ability."

That authority to grant scholarships for elementary teachers be continued for the year 1952-1953 on the same basis as at present.

That the following action of the University Faculty Council be reported to the Board of Trustees for information and record:

"That the Council express its appreciation of the willingness of the Board of Trustees to meet with a committee of the Faculty; and further, express the feeling that it finds itself in essential agreement with the Board's policy with respect to the responsibility of the faculty for the selection of speakers."

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

The President presented the following recommendation:

That upon the recommendation of the faculty of the School of Social Administration, the structure located upon the campus of The Ohio State University and known as the Social Administration Building, be named Stillman Hall in honor of the late Charles C. Stillman who served the University with honor and distinction for over twenty years.

Professor Stillman developed here the first curriculum in community organization for health and welfare offered in this country. Through this program the School of Social Administration became recognized as a major training center for executive personnel for Community Chests and Community Welfare Councils.

Upon motion of Judge Gorman, seconded by Senator Huffman, this recommendation of the President was approved by unanimous vote.

The President presented the following statement and recommendation:

The approval by the Board of Trustees at its last meeting of the additional interpretations of the speaker clearance rule suggested by the President appears to have quieted in large measure the controversy in the faculty and among the public generally.

The Faculty Council at its next ensuing meeting received a frank, full and fair report from the representatives it had appointed to meet with the Board of Trustees and after considerable discussion adopted the following resolution:

"The Faculty Council expresses the feeling that it finds itself in essential agreement with the Board's policy with respect to the responsibility of the Faculty for the selection of speakers."

The Faculty representatives warmly expressed also their appreciation of the attitude of the members of the Board of Trustees in dealing with the matter.

In think we should take satisfaction in the constructive and reasonable attitude shown by both the Board and the leaders of the Faculty and the great majority of its members. In a faculty group as large as ours many temperaments and many points of view are bound to be encountered, but the general willingness to subordinate individual preferences in the interest of agreement on the basic general principle has been highly gratifying.

Those who have attended the usual midwinter meetings throughout the country have returned reporting widespread expressions of surprise that a settlement such as was here effected could have been brought about so quickly.

The entire incident has not transpired without certain tangible benefits. One of these was the benefit of direct and personal communication between the Faculty and the Board of Trustees.

I am strongly of the opinion that an important forward step would be taken if the Board of Trustees would indicate its desire to establish a continuing relationship of this kind. Specifically, I would recommend that the Faculty Council be asked to select a number of representatives who might meet periodically with the Board for the purpose of better acquaintance and exchange of views. I would suggest a representation of seven members from the Faculty, four of whom might be initially appointed to serve for one year and three for two years. The successors to each group could be annually appointed for two years thereafter.

It would seem to me that these representatives might be invited to meet from time to time with the members of the Board—perhaps at luncheon on days when the Board regularly meets. The additional time required would not be very great and the gain in institutional morale would, I think, be worth far more than the cost. It would seem to me that the periodical meetings ought to be quite informal. Even if at any meeting there were no matters of great import to be discussed, the personal contact would still be very much worth while.

I recommend, therefore, that through appropriate channels this suggestion be conveyed to the Faculty Council.

Upon motion of Judge Gorman, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

President Bevis presented the following progress report:

The problem discussed in the last meeting of the Board of how better to present to the public the University, its personnel, its facilities, and its accomplishments has been the subject of earnest and prolonged consideration in the President's Office.

A number of different approaches to the problem at once present themselves. The most obvious is that of publicity through the media of newspapers, magazines, radio, speakers at public meetings, etc. Some of this we now do pretty well and some, in my judgment, pretty poorly.

Another approach is through the contacts of our staff people each in his own field and with his own particular public.

Another is through carefully chosen representatives to particular groups which might be interested in particular phases of the University's work and perhaps be able and willing to make substantial contributions to its progress.

It is obvious that our approaches are not to one but to many publics and that the method in each case ought to be adapted to the major end sought. Certain ends can be obtained through general publicity; others require "rifle shooting rather than shotgun shooting."

In view of all of this, it has seemed to us that the sound way to begin is by looking carefully at what we are and what we have, to study again our strong points in terms of accomplishment, of program and the facilities, and conversely our weak points at which help might bring new strength.

Such an analysis need not unduly consume time. It would, we believe, suggest in many instances the best method of bringing our

case to the appropriate public. Sometimes it may save us some unfortunate mistakes; not all publicity is helpful.

We suggest that this procedure would be better than the more frequent one of creating another agency first and then looking about for things for it to do.

To this end I am proceeding, subject to the Board's approval, to set up a small group working with the President's Office to make the suggested analysis.

I shall expect to report further concrete measures in the near future.

The President presented the following statement and recommendation regarding Incidental Fees:

The minutes of the meeting of the Inter-University Council held on December 14, 1951 contain the following paragraph:

President Bowman moved that the Council recommend to the Boards of Trustees of the six State Universities that the registration or incidental fee be increased to a basis of \$105.00 for the college year, effective September 1952. This motion was seconded by President McDonald and passed.

This recommendation was made pursuant to the action of the General Assembly at its last regular session. In the appropriation bill the amount of the appropriation made to the several Universities for A-1 Salaries was made somewhat smaller for the second year of the current biennium than for the first year. It was the view of the leaders of the Legislature that a somewhat larger portion of the cost of educating students in the State Universities should be borne by the students themselves through the payment of fees but, in recognition of the fact that it would be difficult to change the fee structure for the first year of the biennium, the smaller appropriation was made effective for the second year.

It will be recalled that for many years the basic incidental fee at the Ohio State University was \$20.00 per quarter or \$60.00 for a normal academic year. During this time, some of the other State Universities had higher fees than those charged at Ohio State.

Governor Herbert during his term of office was strongly of the opinion that the fees charged at state institutions should be larger. He cited the very great difference between the fees charged in private institutions and also in some others of public character. He expressed the view that a larger measure of self-support ought to be expected of students. Further, he stressed the fact that the change in the effective value of the dollar had brought a situation in which students were in terms of purchasing power paying very much less than they formerly paid.

Instigated by the Governor's thinking, our incidental fee was raised from \$20.00 to \$30.00 per quarter or \$90.00 for a normal academic year. One or more of the other State Universities were already at this level and all of them set their fees at that rate.

The present recommendation, therefore, is from \$90.00 to \$105.00 a year, and in our case from \$30.00 to \$35.00 per quarter.

It is not without question that I pass this recommendation to the Board. The principle of widespread education at low cost has been fundamental in the State University system and should not in my

judgment be departed from. It is true, however, that in an era when everyone both receives and pays out cheap dollars, a \$35.00 fee is probably less than the equivalent of the \$20.00 fee which we formerly charged. An annual fee of \$105.00 is still very, very small in comparison with the fees charged in private institutions and few if any public institutions have now a smaller rate. It would seem that the fees at the Ohio State University should be as high as those charged in the other State Universities in Ohio. Furthermore, the continuing view on the part of the State authorities that a larger fee should be charged cannot lightly be ignored. In fact, a very pointed reminder of this view is the reduced appropriation for the second year of the current biennium.

The Inter-University Council also recommended to the Boards of Trustees of Bowling Green, Kent, Miami and Ohio Universities that the additional non-resident fee be increased to \$150.00 for the college year. In view of the fact that the additional non-resident fee at Ohio State was already \$225.00 a year or \$75.00 per quarter, no recommendation was made to this Board in this respect.

In view of the foregoing, therefore, I recommend that the incidental fee, beginning with the Autumn Quarter 1952, be \$35.00 per quarter.

Upon motion of Judge Gorman, seconded by Mr. Black, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager presented the following statement:

On authority of the Board of Trustees, the University Cabinet met on December 10, 1951, for the purpose of opening bids on Wrecking and Removal of Dispensary Building at St. Francis Hospital. The following bids were received:

<i>Bidder</i>	<i>Bid A Even</i>	<i>Bid B Credit</i>	<i>Bid C Cost to OSU</i>
Foster Wrecking Company.....	No bid	No bid	\$5,800
Cuyahoga Wrecking Company.....	No bid	No bid	4,471
Cleveland Wrecking Company.....	No bid	No bid	3,450
Architect's Estimate.....			\$2,950

The range of bids indicates satisfactory competition and, although all bids are in excess of the estimate, it is the opinion of the University Architect that neither a lower bid nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the University Cabinet, approval of the Controlling Board was requested and granted for authority to enter into a contract with the Cleveland Wrecking Company for Wrecking and Removal of Dispensary Building at St. Francis Hospital, notwithstanding the fact that this bid was in excess of cost.

The project is payable from G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 672.

Upon motion of Judge Gorman, seconded by Mr. Black, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request

- 67—approved orders totaling \$2,122.00 to Haig M. Boyajohn & Associates for necessary revisions to equipment in connection with Remodeling Hamilton Hall and Starling-Loving Hospital, without competitive bids.
- 73—(a) approved award of contract for Wrecking and Removal of Dispensary Building at St. Francis Hospital to Cleveland Wrecking Company at their low bid of \$3,450.00, notwithstanding the fact that this bid is in excess of the estimate of cost filed with the Auditor of State.
(b) approved release of \$3,450.00 in G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 671.
- 74—approved transfer of \$2,500.00 from G-2-8 Addition to Main Library to G-2-19 Addition to and Remodeling of Hamilton Hall, Remodeling of Starling-Loving Hospital and Equipment, H. B. 672, to provide funds for architectural services in connection with the project.
- 75—approved transfer and release of \$25,000 from Rotary 804 to G-2-F Auditorium, H. B. 671, for architectural contract.

- 78—approved extra in amount of \$3,679.35 to G. W. Atkinson & Son Company for necessary additional work in connection with their contract for Foundations, Steel Work and Alterations Necessary for the Installation of New No. 5 Boiler, No. 1 Turbine and Auxiliary Equipment.

Easement for City Water Line

At the request of Mr. Elmer A. Keller, Director of the Department of Public Service, City of Columbus, and upon the recommendation of Mr. Paul Elleman, Director of Physical Plant, the University Cabinet recommends that the following easements and approvals be granted:

- 1—An easement to construct the 20-in line across University property in the vicinity of Lane Avenue.
- 2—An easement or short term lease on property owned by the University, for the purpose of constructing and maintaining a booster station, located south of the Baptist Church at Ackerman and Olentangy River Roads. It is to be understood that this booster station will be dismantled by the City and the site abandoned shortly after the new North Side Water Works is placed in operation.
- 3—An easement across property owned by the University located west of Kenny Road in what would be Ackerman Road projected to the west property line of the University.

The University will be furnished with three outlets along the route of the water line at the following approximate locations:

- 1—A 20" x 10" Y and valve at Hess Road and Olentangy River Road.
- 2—A 20" x 8" tee and valve near the existing 8-inch line just south of the Woodruff Avenue Overhead Bridge.
- 3—A 20" x 8" tee and valve near the site of future University buildings to be located north of Kinnear Road (College of Veterinary Medicine).

The request is for a 10-foot easement plus a 5-foot wide temporary strip on each side of the 10-foot strip, making a total of 20 feet which will be used during the construction period.

The effect of these approvals is to grant, in principle, the requests of the City of Columbus. The details will be worked out at the time of the execution of the easements. It is the belief of the Director of Physical Plant, in which the Cabinet concurs, that the installation of this water main by the City, with permission of the City for the University to tap, will greatly increase the University's water supply and thereby afford greater pressure and fire protection to the River Road Housing project and to other University buildings west of the Olentangy River.

Upon motion of Senator Huffman, seconded by Mr. Black, the above recommendations were approved by unanimous vote.

Transfer to College Road Cafeteria

The College Road Cafeteria was opened June 15, 1947, to serve the increased number of students on the campus due to the influx of veterans.

Profit and loss for the four years of operation disclose the following:

1947-48	Loss	\$24,857.21
1948-49	Profit	5,240.77
1949-50	Profit	4,604.67
1950-51	Profit	3,873.28
1951-52 Summer	Loss	532.81

Due to the cost of getting this facility opened in 1947 and other operational difficulties, the first year showed a loss of \$24,857.21 which was never recovered. The Cafeteria was closed at the end of the Summer Quarter, 1951, as the reduced number of students could be taken care of in existing dining rooms.

Since the River Road Housing project and the College Road Cafeteria are considered as temporary facilities of the University to take care of the veterans, it is recommended that \$13,230.94 be transferred from River Road Housing Rotary 8240 to College Road Cafeteria Rotary 8208 to close out the present cash overdraft.

Upon motion of Senator Huffman, seconded by Mr. Black, the above transfer was approved by unanimous vote.

Transfer of Fairgrounds Trailer Camp Funds

The Fairgrounds Trailer Camp was opened in October, 1946, to supplement the existing housing facilities of the University to meet the increased demands of the veterans. The Camp was closed June 15, 1951. During the period of operations, all expenses were paid and at this time a cash balance of \$472.32 remains in the account.

Since these facilities, along with College Road Cafeteria and River Road Housing, are considered as temporary projects, it is recommended that this balance of \$472.32 be transferred from Fairgrounds Trailer Camp Rotary 8210 to River Road Housing Rotary 8240, to close out the account.

Upon motion of Mr. Black, seconded by Judge Gorman, the above transfer was approved by unanimous vote.

Redesigned University Seal

The Vice President and Business Manager presented the following statement:

When Mr. Howard Dwight Smith, University Architect, was preparing a design for the University Flag, he had correspondence with the Heraldic Branch of the Office of the Quartermaster General. Mr. Smith pointed out to the Chief of this Branch, Mr. Arthur E. DuBois, that our present seal takes on the aspect of a face (caricature) and that it might be desirable to prepare a revision of it. Mr. DuBois has submitted the following sketch which saves the basic features of the present seal but eliminates those which have been thought to be objectionable. Mr. DuBois' proposed revision is acceptable from the heraldry standpoint. It is the recommendation of the University Cabinet and the President's Office that the revision of the University Seal be approved and substituted for the seal presently in use.

The Board requested the President's Office to ascertain general

sentiment on the campus relative to the revision of the University seal and that the matter be brought before the Board at a later meeting.

The Vice President and Business Manager recommended that Jack Hughes be appointed a Special Police Officer for University School, in accordance with Section 48 3-3-4 of the General Code of Ohio.

Upon motion of Mr. Black, seconded by Judge Gorman, the above recommendation was approved by unanimous vote.

The President now reported to the Board the death of Charles Clark Stillman and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

The Board of Trustees expresses its deep sorrow at the death, on January 5, 1952, of Charles Clark Stillman, Professor Emeritus of Social Administration and Director Emeritus of the School of Social Administration. With his passing at the age of 74 years, the University has lost a distinguished and loyal member of its family.

Professor Stillman was born at Troy, New York, on June 22, 1877. He came to The Ohio State University as Professor of Social Administration in 1929 and developed here the first curriculum in community organization for health and welfare offered in this country. Through this program the School of Social Administration became recognized as a major training center for executive personnel for Community Chests and Community Welfare Councils. In 1932, Professor Stillman became Director of the School of Social Administration and under his leadership an outstanding program in several areas of specialization was developed.

In recognition of his contribution to the social work field, The Ohio State University conferred upon him the degree of Doctor of Laws, June 11, 1948.

Professor Stillman was a graduate of Williams College and the Rochester Theological Seminary. His life was devoted to professional service in the field of human relations. Prior to his service at The Ohio State University, Professor Stillman was recognized as one of the leading social work administrators of the nation. He was associated with the Board of Public Welfare of Kansas City, Missouri; the United Charities of St. Paul, Minnesota; the American Red Cross; and was Secretary of the Welfare Union of Grand Rapids, Michigan just prior to entering service with the University.

On leave from the University in 1934 and 1935, Professor Stillman served as a representative of the Federal Emergency Relief Administration and was later Director of the Federal Emergency Relief Administration in Ohio and Administrator of the Ohio Works Progress Administration. His leadership did much to alleviate widespread human suffering.

As the author of "Social Work Publicity" and of social welfare survey reports in a score of American communities,

he influenced markedly the progress and development of many social welfare institutions. He held many important posts, including the Presidency of the Ohio Welfare Conference and was Treasurer and a member of the Executive Committee of the National Conference of Social Work.

As is true of many distinguished teachers, he created his living memorial through his influence upon the minds and the hearts of the many men and women who studied and worked with him. He will be remembered for his inimitable sense of humor, his keen perception, his ability to inspire students, his modesty, his devotion and loyalty to the cause of human welfare and his unique ability to develop similar convictions in others.

Ohio State University recognizes his distinguished service and his lasting contribution to the enrichment of human life.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

Upon motion of Judge Gorman, seconded by Senator Huffman, the Board by unanimous vote adopted the following resolution and directed that it be made a part of the minutes of this meeting.

In the death of Herbert S. Atkinson on January 10, 1952, the University lost one of its most faithful servants and most loyal supporters.

He was an outstanding figure on its campus. He had to earn his way but he found time and energy for many extra-curricular activities. He was a star basketball player, a cheer leader, a leader in fraternity life, a member of the student honorary, Bucket and Dipper.

After graduating in Law in 1913 and entering upon the practice of his profession, he soon began to take an interest in the political life of the State. He became Secretary of the State Highway Department. He was elected three times to the General Assembly as Representative from Franklin County. During the last two of these terms he was Democratic Floor Leader.

During all this time his interest in his Alma Mater grew. Before the alumni were organized in numbers and interest as they now are, he carried the torch for his University. Before Ohio State had attained the stature that has later come to it, he stood forth as its champion.

In 1925, Governor Donahey appointed him to the Board of Trustees. Thence forward for twenty-three years he served continuously in that capacity, one of the longest tenures in the history of the institution. During this time the University grew both in size and in stature, and in every aspect of its policy Mr. Atkinson was an active and forceful participant. He was a builder of the University.

In the later years of his life he engaged successfully in the insurance business. The same tremendous energy, re-

sourcefulness and drive which marked his whole life, contributed here also to outstanding success.

Perhaps the dynamic character of his living contributed to his untimely passing. Stricken at the height of his powers, his last years were spent in a gallant struggle toward recuperation.

Sustained by the faith and courage of his life's partner he maintained to the end an attitude of hope and effort. His zeal for the University never flagged. When ill health brought about his retirement, the Board made him Trustee Emeritus in a resolution which spoke of "a filial devotion, an unselfish zeal, which were marked and constant . . . In the highest sense, he was a good Trustee."

The Board expresses its deep sorrow at his passing. It extends to his family its deep sympathy.

Thereupon, the Board adjourned to meet Monday, February 11, 1952, at 9:30 a. m. at the University.

Attest:

President Bevis advised the Board that the Committee which has charge of the Annual Recognition Dinner sponsored by the Board of Trustees, suggests the date of May 12, 1952 for this year's dinner and requests that an appropriation of \$1,916.00 be made to cover the necessary expenses.

Upon motion of Mr. Ketner, seconded by Mr. Black, the Board by unanimous vote approved an appropriation of not to exceed \$2,000.00 from the Interest on the Endowment Fund to cover the expenses of the Annual Recognition Dinner to be held May 12, 1952 at 6:30 p. m. at the Ohio Union.

President Bevis presented the following statement and suggestions:

The granting of a limited number of honorary degrees, in my judgment, serves a useful University purpose, but does not in many worthy cases provide a suitable means of proper recognition.

I would like to suggest an award of different nature which might be given in recognition of such service either to persons whose service has been rendered on the campus or to alumni or to others who have served the University in off-campus capacity.

I would suggest that this award be conferred by the action of the Board of Trustees, on the recommendation of a committee appointed by the President.

The number of such awards should be so limited as to make the receipt a matter of real distinction. Generally speaking, I would suggest that the award be made at the June Commencement, although if desirable other convocations might be used for the purpose.

A really fine illuminated scroll would seem to me to be a suitable vehicle for the purpose. The wording of each scroll could be adapted to the particular accomplishments of each recipient and such a scroll suitably framed would seem to me to be appropriate for display in the recipient's home or office.

Upon motion of Judge Gorman, seconded by Senator Bricker, the Board approved the above suggestions by unanimous vote and authorized the President to proceed therewith.

That the following miscellaneous recommendations be approved:
That Floyd DeLashmutt, Extension Economics in Farm Management (Professor), be retired effective January 31, 1952, and that he be paid \$108 per year from Interest on Endowment 4002 and \$144 per year from Fund 9001 to comply with provisions for supplementary payments to University employees who participate in the University Retirement Plan, and that he be given the rank of Professor Emeritus, Agricultural Extension Service.

That the following leaves of absence, without salary, be granted:

Berman Ross, County Agricultural Agent, Warren County, Agricultural Extension Service, effective January 16, 1952, for military service;

Howard F. Haines, Instructor, School of Optometry, effective January 15, 1952, for military service;

Leonard O. Andrews, Coordinator of Student Field Experience, College of Education, Administration, for the period May 15 to August 1, 1952, in order to continue some research and writing and to serve on the faculty of Northwestern University for the summer session;

Virginia Cyples, Instructor, School of Nursing, effective January 14, 1952, for military service.

That upon the recommendation of the Board of Directors of the Development Fund at its meeting held on January 20, 1952, the projects submitted as the objectives of the Development Fund for 1952 be approved.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$6,796.62

\$3,333.34 for the Dr. Charles L. Fox and Frances L. Fox Foundation Fund to be administered in accordance with the following regulations:

The Dr. Charles L. Fox and Frances L. Fox Foundation Fund for the Advancement of Nursing Education

This fund established December 31, 1951 by a gift through the Ohio State University Development Fund from Dr. Charles L. Fox and Frances L. Fox to be invested in accordance with Section 4861-10 G. C. The income is to be used for scholarships for students enrolled in the School of Nursing at The Ohio State University. Scholarships are to be awarded in multiples of \$200.00 annually. In the event that no scholarship is awarded the ensuing year, the funds available shall be used in succeeding years and when funds from income are available, larger amounts than the \$200.00 mentioned above may be awarded to one applicant.

The successful applicants must be residents of Fremont or Sandusky County, Ohio, and shall be recommended to The Ohio State University Scholarship Committee by a committee from Sandusky County consisting of one representative of The Ohio State University Development Fund, the Physical Education Instructor for girls and the Vocational Guidance Director of or from Ross High School, Fremont, Ohio.

Scholarships are to be awarded to a graduate of Ross High School, Fremont, Ohio, unless in the opinion of the above named committee the scholarship could be used by some outstanding student to advantage from outside the Ross High area. The recipients of these awards shall be chosen without discrimination as to race, color or religion. Financial need shall be one of the considerations in making the awards. It is also the desire of the donors of this scholarship fund that the successful applicant will return to Sandusky County to practice her profession after the completion of her training.

Should the School of Nursing cease to exist as such, then the award shall be made by the President or then Chief Executive Officer of the University to students training in Nursing, preference to be given to graduates of Ross High School, Fremont, Ohio, but with authority to make awards to any needy recipient meeting the above qualifications.

That the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation, setting up the following projects be reported to the Board of Trustees for information and record:

Charles F. Kettering Foundation, Dayton, Ohio—Investigation of

- Prebiological Chemistry and Physics (to be known as the Charles F. Kettering Foundation Research Project No. 367—Modification No. 3—Chemistry);

The President presented the following statement and recommendation:

At the last meeting of the Board of Trustees action was taken in accordance with the recommendation of the Inter-University Council, increasing the incidental fees in the Colleges of Agriculture, Arts and Sciences, Commerce and Administration, Education, Engineering and the Graduate School, from \$30.00 to \$35.00 per quarter.

The other members of the Inter-University Council were not specifically concerned with the fees in our professional colleges, to wit, Dentistry, Law, Medicine, Optometry, Pharmacy and Veterinary Medicine. In each of these colleges the present incidental fee is \$35.00 per quarter.

In view of the fact that the University services furnished to students in these professional colleges are somewhat greater than those in the non-professional colleges, it is the opinion of the administration that the increase of \$5.00 per quarter ought to be applied in these colleges also. If such action were taken, it would continue the differential of \$5.00 which has heretofore existed.

It is my recommendation, therefore, that beginning with the Autumn Quarter 1952 the incidental fee in the Colleges of Dentistry, Law, Medicine, Optometry, Pharmacy, and Veterinary Medicine, be set at \$40.00 per quarter.

Upon motion of Judge Gorman, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

President Bevis presented the following statement:

Reference has been made in previous meetings of the Board to preliminary reports on the programs of study and research, and the cost thereof, carried on at Gibraltar Island.

Vice President Heimberger has carried the study farther, particularly with reference to the historical development of our operations at Gibraltar and has offered certain recommendations for the future. Summarizing his report (a copy of which has been presented to each member of the Board), it may be said that there is considerable consensus of opinion among those in contact with our operations at Gibraltar that much good work has been done both in teaching and research but that we seem to be falling short of the full measure of accomplishment which might be expected.

In its origin more than fifty years ago, the Institute was essentially a field station for research by scholars whose principal work was in connection with departments on the campus. Courses when given were off-campus offerings of departmental courses. Teachers were drawn from campus departments with the addition later on of teachers from other colleges brought in to assist with the summer program. There was a close working arrangement with the Ohio Fish and Game Division and cooperative research programs were engaged in year after year.

In 1934 the Board of Trustees authorized President Rightmire to study the laboratory in all of its aspects and present plans for its future development. An advisory committee was appointed by the President. The result of this was the more or less complete severance of the work at Gibraltar from work in the University departments and the establishment of the Gibraltar program under the Director, who became responsible solely to the President.

The results appear to have been not wholly satisfactory. While there may have been some advantage in the obliteration of "artificial barriers" in the offerings of several departments, the net result has been frequently a duplication on a small scale of work already being done at the University.

The decline of interest on the part of our campus departments in teaching and research at Gibraltar appears to have been accompanied by a corresponding decline in student patronage and public interest. Last year the peak enrollment was twenty in the Summer Quarter with only nine students in attendance at other times of the year.

Research work of value has been carried on, but a better appraisal of the value of this research work ought to be made.

The cost of what is being done appears to be high. Our annual report shows that for the year 1950-1951 the cost of instruction was \$28,614.00, the cost of other salaries \$24,758.45, and that other items bring the total expenditures to \$67,512.11. The corresponding figure for 1944-1945 was \$33,183.25. Between these two years there has been a steady growth in cost. This, however, does not tell the complete story for, in addition to the expenditures directly at Gibraltar, the University's Physical Plant department has added in labor, material and service an additional \$12,318.10, making a total cost of \$79,830.21.

It is our view, therefore, that the advisory committee ought to be reconstituted with the assigned task of reviewing the relations of the Franz Theodore Stone Institute of Hydrobiology to the rest of the University and the restudy of the pattern and program of teaching and research at Gibraltar. This pattern should be conditioned by the character and quality of the facilities available and the peculiar location in which they are established. Our location in one of the most fertile areas for study of fresh water marine life should be exploited as far as our resources will permit. On the other hand, there seems to be no good reason for duplicating at Gibraltar Island work which might as well, or better be done on the campus. The determination of desirable objectives ought then to be correlated with the present and future costs entailed, in order that the best use of the University's resources may be obtained.

Subject to the Board's direction, I propose, therefore, to have undertaken the study and possible revision of our Gibraltar program with a view of having concrete, specific recommendations for the next annual budget.

Upon motion of Mr. Ketner, seconded by Mr. Black, the Board by unanimous vote requested the President to proceed with the study in accordance with his suggestions and the recommendations contained in the report.

The Vice President and Business Manager presented the following statements and recommendations:

On authority of the Board of Trustees, the University Cabinet met on January 15, 1952 for the purpose of opening bids on four miscellaneous projects on the University campus. A tabulation of the bids received is on file in the offices of the University Architect and the Auditor of State.

Including the two alternates upon which bids were taken, there were seven items bid upon. The low bids on five of the items were below the estimates of cost and the low bids on the other two items were in excess of the estimates of cost. The competition was very satisfactory and included six bids on three items, five bids on two items, and four bids on the sixth item.

It is the opinion of the University Architect that no lower bids would be received if the two items were readvertised, but he suggests a further analysis of the documents for (Proposal No. 4) Traffic Booth for Medical Center, before making a recommendation concerning it.

In accordance with the recommendation of the Cabinet, approval of the Controlling Board was requested and granted for the award of the contract over the estimate for (Proposal No. 5) Remodeling Starling-Loving Hospital for School of Nursing. The University Cabinet now recommends that the Board of Trustees approve the award of contracts to the low bidders as follows.

Proposal No. 1

Remodeling Brown Hall for the School of Architecture

Haig M. Boyajohn & Associates.....\$3,380

*Proposal No. 2**Remodeling Garage, General Contract plus Alt. No. 1 (Suspended Ceiling)*

Haig M. Boyajohn & Associates.....\$22,370

*Proposal No. 3**Remodeling Garage, Heating Contract minus Alt. No. 2 (Eliminate Ducts)*

Thomas J. Croak.....\$3,219

*Proposal No. 4**Remodel Starling-Loving Hospital for School of Nursing*

Haig M. Boyajohn & Associates.....\$17,680

The project is payable from G-2-21 Rehabilitation of Existing Buildings, H. B. 672.

Upon motion of Senator Huffman, seconded by Judge Gorman, the above recommendations of the Cabinet were approved by unanimous vote.

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board and pursuant to legal advertisement, has received bids and approved the award of the following contracts to the low bidders and now recommends that the actions of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the office of the Auditor of State and the University Architect and is included in the records of the University Cabinet.

Interior Painting of Hamilton Hall and M. Wing of Starling-Loving Hospital

General Painting Company—\$28,888

To be paid from F-1 Building Repairs, H. B. 671

Replacing of Existing 24-in. Wood Stave Condenser Lines

George J. Igel & Company, Incorporated—\$19,750

To be paid from E-9 Power Plant, H. B. 671

Upon motion of Senator Huffman, seconded by Judge Gorman, the above actions of the Cabinet were approved by unanimous vote.

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request

90—(a) \$1,650.00 extra to Electrical Contractors, Incorporated for transferring Rooms 629 through 1129 from center to east nurses' station in connection with their contract for Nurses' Audible Call System, University Hospital

(b) transfer of \$1,650.00 from G-2-12 Electrical Engineering Building and Equipment to G-2-11 Health and Medical Center, H. B. 672

97—\$1,402.18 extra to Fuel Economy Construction Company for additional work in connection with their contract for Piping for New No. 5 Boiler and No. 1 Turbine Including Necessary Auxiliaries

99—(a) award of contract for Remodeling Second Floor of Wing B,

Starling-Loving Hospital for School of Nursing to Haigh M. Boyajohn & Associates at their low bid of \$17,680, notwithstanding the fact that this bid is in excess of the estimate of cost filed with the Auditor of State

- (b) release of \$51,000 in G-2-21 Rehabilitation of Existing Buildings, H. B. 672, to provide funds for award of contracts and architectural fees.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimates of cost for the following project as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Remodeling Office Area for Department of History, University Hall	\$5,700	F-1 Building Re- pairs, H. B. 671

In order to expedite this project so that it may be accomplished during Spring vacation, it was further recommended that the Board of Trustees grant permission to the Cabinet to advertise for bids one time and one time only, and that permission of the Controlling Board for this procedure be requested.

Upon motion of Senator Bricker, seconded by Judge Gorman, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was authorized to advertise for bids one time only and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimates of cost for the following project as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Traffic Booth, Medical Center	\$6,000	Maintenance funds

The plans, specifications and estimate of cost for this project, in the amount of \$4,000, were approved at the September 4, 1951 meeting of the Board of Trustees. In view of the fact that the bids received on January 15, 1952 were greatly in excess of the estimate of cost, the University Architect has reduced and simplified the specifications, submitted a revised estimate of cost, and requested approval of a ten-day readvertisement.

Upon motion of Senator Bricker, seconded by Judge Gorman, the Board by unanimous vote approved said revised documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was author-

ized to advertise for bids one time only and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the following statement and recommendation:

That, upon the request of the Dean of the College of Agriculture, the University be authorized to rent a tract of land for a period of five years, beginning March 1, 1952 and payable from Farm Rotary funds. The land is owned by the Commercial Paste Company and is described as follows:

The Hess, Jewett and Coe farms, including all barns and the residence at 4871 Olentangy River Road, but excluding the residence, together with ground surrounding, located at 4735 Olentangy River Road, and excluding the residence at 1849 Bethel Road, together with garden plots and orchards east and west of same.

The annual rental is based on the following:

Hess House	\$ 900.00
Bottomland, 70 acres at \$15.00.....	1,050.00
Upland, 145 acres at \$10.00.....	1,450.00
	<hr/>
	\$3,400.00

The property will provide pasture for dairy and beef cattle, test plots for Agricultural Engineering students, bulk production of corn for feeding purposes and a house for an Instructor in Dairy Science.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the President was granted authority to sign the least as described above.

In accordance with action taken by this Board on December 10, 1951, whereby the Board approved the recommendation of President Bevis that a special committee be appointed to make a study of an investment policy for University Funds, and to submit such study to the Board of Trustees for its consideration, Chairman Dargusch stated that he has appointed Professor Charles A. Dice, Forrest G. Ketner, W. N. Kiplinger, Hugh E. Nesbitt, Leland A. Stoner and Jacob B. Taylor to serve with him on said committee, the action of December 10, 1951 having provided that General Dargusch should serve as Chairman of the Committee.

Chairman Dargusch named Carl E. Steeb to serve as the recorder for the Committee.

The President reported that after Mr. Atkinson's funeral Mrs. Atkinson had called upon him to report her husband's wish concerning the disposition of his ashes. It was Mr. Atkinson's wish that his body be cremated and that the urn containing his ashes be kept in some suitable place at the University, to which he had given so many years of service.

The President stated that he desired to recommend that this wish

be granted and suggested that a suitable place in the Administration Building be found. In view of the fact that Mr. Atkinson's service to the University for almost twenty-four years was in the capacity of Trustee, it seems that the Administration Building is the most suitable place.

The President therefore recommended that the Administration be authorized to select a proper place in the wall of the Administration Building and that an appropriate covering plaque be designed.

Upon motion of Senator Bricker, seconded by Judge Gorman, the above resolution was approved by unanimous vote.

The Board of Trustees expresses its sorrow at the death of Walter Dana Wall, Lecturer in Accounting, on January 17, 1952. He had served continuously as a lecturer teaching in the field of auditing at The Ohio State University since 1919. A certified public accountant for 35 years, he had contributed much to the profession. He was Secretary of the Ohio State Board of Accountancy 1918-1921, President of the Ohio Society of Certified Public Accountants 1926-1928, and Treasurer of the American Society of Certified Public Accountants 1934-1935.

Mr. Wall was one of the real pioneers in accountancy education in Ohio. His services to Ohio State University in the development of this professional program were of high quality.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

Thereupon, the Board adjourned to meet Monday, March 10, 1952 at 9:30 a. m. at the University.

Attest:

(Signed) CARL E. STEEB,
Secretary

(Signed) CARLTON S. DARGUSCH,
Chairman

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDING OF THE
EIGHT HUNDRED AND FIFTY-NINTH MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, March 10, 1952.

The Board of Trustees met at the University pursuant to adjournment.

Present: General Carlton S. Dargusch, Chairman, Judge Robert N. Gorman, Senator John W. Bricker, Forrest G. Ketner, and Senator James W. Huffman.

Vice President Heimberger now presented the following statement prepared by President Bevis:

Colonel Ralph D. Mershon died at his home in Miami, Florida, on February 14, 1952 in his 84th year. Colonel Mershon, a native of Muskingum County, Ohio, graduated from the Ohio State University in 1890. In the course of his professional life he came to be recognized as one of the foremost, if not the foremost electrical engineer in problems dealing with direct and alternating current. He perfected a large number of valuable patents and his services were widely sought throughout the world. In addition to many projects in the United States and Canada, he did unique and important engineering work in South Africa, Japan and other foreign countries.

He always maintained a strong interest in the Ohio State University and from time to time was consulted by President Thompson and others as to affairs in management. He, together with President Thompson, General Orton and a few others were chiefly responsible for the passage through Congress of the legislation establishing the R.O.T.C. He was at one time an officer in the Army himself and believed very strongly in the importance of civilian military training in the United States.

He was a regular contributor to the Development Fund of the Ohio State University, his annual contribution having been \$10,000. Through a life-long friendship he kept closely in touch with Miss Edith D. Cockins, formerly Registrar of the University, a contact of great importance in the writing of his will.

His will leaves to the University the largest bequest it has ever received. No official inventory of the estate has yet been made but at Colonel Mershon's request I have maintained close contact with his attorneys for the last several years and am advised by them that at prices current at the time of his death his estate was estimated at approximately \$8,600,000.00. The estate consists in real estate estimated at something less than \$90,000.00, some cash on hand and the balance in securities.

The real estate, as I am advised, is in three parcels: the home in which he lived, three other vacant lots in Miami, Florida and a small acreage in the state of Arkansas.

A codicil to his will executed in 1950 leaves the home property to the Ohio State University for the occasional occupancy of University personnel who might desire to spend a little time in Florida on vacation. The home consists of a chaste and lovely but relatively simple six-room house, a garage and a small outer building for the use of the Colonel's man. The lot, I should judge, is of considerable present, and of greater potential value. The will provides that funds for the maintenance of the property for this purpose shall be taken from the income of the estate.

At the time I first became acquainted with the affairs of the estate a large portion of it was located in Canada. Up until about that time Colonel Mershon had maintained an official residence first in New York and then in Connecticut. Since then his residence has been officially established in Florida and all of his personal assets

have been removed to the state of Florida. It is believed a considerable saving in taxes has been effected through these moves.

His will leaves bequests of approximately \$750,000.00. So far as I know, there are no debts other than current expenses. His sister, who lives in Zanesville, is made co-executor with M. L. Mershon one of his attorneys in Miami.

After the payment of specific bequests, debts and expenses of administration, it seems probable that at present market prices the balance left to the Ohio State University approximates seven million dollars. The annual income at the time of his death was reported to me as \$362,000.00.

Aside from the provision concerning his home, the residue comes to the Ohio State University, subject to certain directions as to the investment of these funds and a testamentary provision that not less than one half of the income shall be used in such manner as in the judgment and discretion of the Ohio State University shall best promote, encourage and carry on civilian military education and training in the United States and its territory. The use of the remainder of the income is unrestricted.

The corpus of the estate is to be maintained intact under the name of the Ralph D. Mershon Fund and the principal of said fund together with all increases and appreciation thereof is to be kept invested in well-selected and well-diversified common stocks of going concerns or their equivalent.

We have prepared an analysis of the will and the codicil for your information.

The will provides that upon the death of the testator the Ohio State University shall execute and deliver to his domiciliary personal representatives an agreement to be bound by and carry out the conditions set forth in the will, and that upon the execution and delivery of such agreement the devises, legacies and bequests made to the Ohio State University shall vest unconditionally and irrevocably. The will states that the testator relies entirely on the faith of the Ohio State University to carry out the conditions. If, within a period of one year following his death, the University shall have refused or neglected to execute and deliver such agreement or have declined to accept the devises, legacies and bequests made to it upon the conditions named, all devises, legacies and bequests to the Ohio State University are revoked and the Boy Scouts of America becomes residuary legatee in place of the Ohio State University.

I think the foregoing brings to your attention in preliminary fashion the salient facts. As soon as definite and official information is received from the executors, the Board will need to consider the question of accepting the estate upon the conditions named.

A copy of the complete analysis of the Last Will and Testament of Ralph D. Mershon, deceased, as prepared by the Vice President and Business Manager, was now presented to each member of the Board.

Senator Bricker offered the following motion:

That the Board of Trustees of the Ohio State University accepts the provisions made for the University under the terms of the will of Ralph D. Mershon, deceased, and directs the President and the Vice President and Business Manager to confer and advise with the exec-

utors of said will as to all details connected therewith, and further, that the Attorney General of Ohio be requested to prepare the necessary documents incident thereto.

This motion was seconded by Senator Huffman and upon roll call was approved by unanimous vote.

Senator Bricker now offered the following motion:

That the Board of Trustees appreciates deeply the wonderful gift which has come to the University under the terms of the will of Ralph D. Mershon, M.E. '90, a very distinguished alumnus of the University, and hereby pledges the University to faithfully carry out the wishes of Mr. Mershon which are so clearly stated in his will.

This motion was seconded by Senator Huffman and upon roll call was approved by unanimous vote.

Vice President Heimberger presented the following report and recommendations relative to the Ohio State University Distinguished Service Award, as prepared by President Bevis:

Pursuant to my report and the Board's informal direction at its last meeting, Mr. Howard Dwight Smith with the collaboration of Mr. Erwin Frey and others, have set about designing a suitable medal. It is their opinion, however, that the medal cannot be ready for presentation at the forthcoming June Commencement.

In view of the consensus of opinion that the award be evidenced by an illuminated scroll and a medal, it seems feasible to present the scroll in June and to follow this with the medal as soon as possible.

Accordingly, the Committee consisting of the President, the three Vice Presidents, and the Secretary of the Board as Recorder, have met and have agreed that:

The award should be called the Ohio State University Distinguished Service Award.

That generally not more than six awards ought to be made in any one year.

That the presentation should generally be made at the June Commencement, although under special circumstances one of the other commencements might be selected.

That the key thought in selecting persons for the award should be distinguished service to the Ohio State University. Such service may be rendered either on or off the campus, however, and by persons either officially connected with the University or not so connected. Within this general pattern it was felt that large discretion should be left to the Committee.

The awards should be made by the Trustees upon the recommendation of the Committee.

The entire Committee is prepared to recommend that this award be conferred at the June Commencement 1952 upon

Ervin G. Bailey
Robert Lazarus
Hugh E. Nesbitt
Joe W. Morrison

The other members of the Committee, without the participation or concurrence of the two concerned, also recommend for this award:

Bland L. Stradley
Jacob B. Taylor

Upon motion of Judge Gorman, seconded by Mr. Ketner, the Board by unanimous vote approved the recommendation as contained in the above report and directed that the Ohio State University Distinguished Service Award be conferred at the June Commencement 1952 on Ervin G. Bailey, Robert Lazarus, Hugh E. Nesbitt, Joe W. Morrison, Bland L. Stradley and Jacob B. Taylor.

The Board was advised that the Inter-University Council is preparing a new Constitution and By-Laws for the Council and that as soon as this revision is approved by the Council, a copy will be sent to each member of the Board for study before the matter is brought to the Board for action.

Vice President Heimberger now presented a detailed report on the principles underlying the construction of the 1952-1953 Budget as prepared by the President's office. A copy of this report was presented to each member of the Board.

Upon motion of Senator Huffman, seconded by Judge Gorman, the Board by unanimous vote approved the principles and recommendations as presented and instructed the President to construct the 1952-1953 budget in accordance therewith.

The Vice President and Business Manager reported that the Cabinet has approved the following (A) Extras to contracts, (B) Credits to contracts, (C) Change in Contract at no change in price and (D) Extensions of time to contract and recommended that they now be approved by the Board of Trustees:

(A) *Extras to contract*

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board and pursuant to legal advertisement, has received bids and approved the award of the following contract to the low bidder and now recommends that the action of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the offices of the Auditor of State and the University Architect and is included in the records of the University Cabinet.

Traffic Booth for Medical Center

Haig M. Boyajohn & Associated, Incorporated.....	\$4,625.00
To be paid from G-2-23 Traffic Booth for Medical Center, H. B. 672	

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above actions of the Cabinet were approved by unanimous vote.

The Vice President and Business Manager presented the following statement:

On authority of the Board of Trustees, the University Cabinet met on February 26, 1952, for the purpose of opening bids on Remodeling Office for Department of History, University Hall. The following bids were received:

<i>Bidder</i>	<i>Amount of Bid</i>
Haig M. Boyajohn & Associates.....	\$6,490.00
G. W. Atkinson & Son.....	6,200.00
Geis Construction Company.....	No bid
Estimate of Cost.....	\$5,700.00

It will be noted that both bids received were in excess of the esti-

mate of cost filed with the Auditor of State. It is the opinion of the University Architect that neither a lower bid nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the University Cabinet approval of the Controlling Board (Request No. 114) has been requested for authority to enter into a contract with G. W. Atkinson & Son for Remodeling Office for Department of History, University Hall, in the amount of \$6,200.00, notwithstanding the fact that this bid is in excess of the estimate of cost.

The project is payable from F-1 Building Repairs, H. B. 671.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported for the record that the State Controlling Board has approved the following request presented by the University:

Request

105—granted permission to advertise for bids for Remodeling Office Area for Department of History, University Hall, one time only, in order that work may be accomplished during Spring vacation.

The Vice President and Business Manager reported that the Examination of The Ohio State University for a period from July 1, 1949 to June 30, 1950 was made by Examiners Carl S. Thimmes and J. Terrence Ferguson for the Bureau of Inspection and Supervision of Public Offices. The report indicated that the accounts of the University appeared to be in order except for the following two minor findings:

Concert Series Lecture.....	\$30.35
Print Shop	\$ 1.34

These shortages have been called to the attention of the department heads involved.

Upon motion of Senator Huffman, seconded by Judge Gorman, the Board ordered the Report of the Auditor of State received and filed.

* * * * *

The Vice President and Business Manager presented a request from Dean Charles E. MacQuigg, of the College of Engineering, that application be made to the State Records Commission for authority to destroy certain obsolete and useless records. This material consists, in the main, of interoffice correspondence, student records, and ESM-WT records from 1913 to 1946, now stored in the College offices, Chemistry Building.

Upon motion of Judge Gorman, seconded by Senator Huffman, the request for permission to make the above application was approved by unanimous vote.

* * * * *

The Vice President and Business Manager presented the following report and recommendation:

The Columbus and Southern Ohio Electric Company has requested

permission to construct necessary electric lines on the property of The Ohio State University in the vicinity of the intersection of Olen-tangy Boulevard and Ackerman Road.

This construction is necessary in order to supply electrical energy to a water pumping station which the City of Columbus has been given permission to construct on the University lands just south of the above mentioned road intersection. (It is understood that this booster station will be dismantled by the City and the site abandoned shortly after the new North Side Water Works is placed in operation.)

The University Cabinet recommends that the Columbus and Southern Ohio Electric Company be given permission to construct the necessary poles and anchors on the University land to supply electrical energy to the City of Columbus temporary pumping station.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above recommendation was approved by unanimous action of the Board.

The Chairman reported that he had received from the Development Fund a check for \$5,000 to be used as an emergency fund by the Board of Trustees and that he had delivered this check to the Vice President and Business Manager with the instructions that it be returned to the Development Fund and set up in an account called "The Board of Trustees Emergency Fund."

The Chairman now recommended that \$2,000 of this sum be set aside at this time for the use of the Director of Athletics to cover expenses connected with the Athletic Department and that expenditures from this fund be accomplished by approval of the Vice President and Business Manager.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above action and recommendation of the Chairman were approved by unanimous vote.

Thereupon the Board adjourned to meet Monday, April 14 at 9:30 a. m. at the University.

Attest:

That the following miscellaneous recommendations be approved:

That the salaries of persons occupying sixty-four non-professional positions in the Library be adjusted, effective April 1, 1952, to conform to the minimum pay ranges for comparable positions in the classified service as provided in Amended House Bill No. 450. These adjustments are recommended in equity to persons holding clerical positions although libraries in state universities are specifically exempted under the law.

That the following leaves of absence, without salary, be granted:

D. R. Dodd, Extension Agronomist, Agricultural Extension Service, for one year effective April 1, 1952, in order that he may accept an assignment as an agricultural advisor to the Mutual Security Agency of the United States.

Joseph DiFranco, County Agricultural Agent, Erie County, Agricultural Extension Service, for one year effective March 16,

1952, in order that he may accept an assignment as an agricultural advisor to the Mutual Security Agency of the United States.

Robert E. Dine, Assistant Professor of Mechanical Engineering, for the period April 1, 1952 through September 30, 1953, in order to accept a position with the Chrysler Corporation in the interest of the Defense Program.

That the leave of absence, without salary, granted to Professor Carroll J. Peirce, Director of the School of Aviation, be extended until June 30, 1953;

That upon the recommendation of the Council on Instruction and the University Faculty Council, the School of Optometry, now a part of the Department of Physics and Astronomy, be given separate status as a School within the College of Arts and Sciences, effective July 1, 1952;

That the application and agreement for the establishment of a Senior Unit in the Air Force Reserve Officers Training Corps at The Ohio State University be approved;

That the sum of \$4,000.00 be transferred from Dairy Laboratory Rotary 15954 to Dairy Technology Rotary 13156, effective at once;

Following the recommendation of the Board of Trustees on January 14, 1952 and after further consideration and approval by the University Cabinet and the University Faculty Council, I now recommend that the re-designed University Seal be approved by the Board of Trustees.

On November 5, 1938 the Board of Trustees adopted a Coat-of-Arms which has been re-designed by Professor Howard Dwight Smith to be in harmony with the new Seal of the University and I now recommend that this re-designed Coat-of-Arms be approved by the Board of Trustees.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$4,800.00 from the Weirton Steel Company for the Weirton Steel Fellowship—Rotary 11901

\$2,672.00 from the Charles F. High Foundation, to be credited to the Charles F. High Foundation Scholarship Fund—Rotary 11299

\$2,000.00 from Armour and Company, Research Division—to be credited to Rotary 11038

\$1,800.00 from the Research Corporation, New York, New York, for research to be carried on under the direction of Dr. Harold Shechter—to be credited to Rotary 11664

\$1,500.00 from the Procter and Gamble Company for the Procter and Gamble Fellowship in Chemical Engineering, to be credited to Rotary 11652

\$1,092.00 from the Grace High Washburn Trust for the Grace High Washburn Trust Fund—Rotary 14901

\$1,000.00 from the Ohio Association of Public School Employees for the Custodians' Training Program—Rotary 11541

\$150.00 from Alpha Kappa Alpha Sorority for student scholarships—Student Scholarships Rotary 14803

\$100.00 from the Ohio State University Mothers Club of Licking County for student scholarships—Student Scholarships Rotary 14803

\$18,946.96 from Dr. and Mrs. James O. Beavis, Dayton, Ohio, for the establishment of the James Ewing Beavis Foundation for Leukemia Research.

It is the wish of Dr. and Mrs. Beavis that this money be deposited permanently with the Treasurer of the State of Ohio, and that the annual income therefrom be used by the University in its effort to find a cure for leukemia and cancer. When this goal has been reached, the income may then be used for other medical research at the discretion of the Dean of the College of Medicine at the University.

The James W. Nitschke Fund

Established February 29, 1952 by a gift through the Development Fund from the Scioto Savings and Loan Company in honor of James W. Nitschke. The principal is to be invested in accordance with Section 4861-10 G. C., the income to be used for the purpose of making loans to worthy male students at The Ohio State University. As long as the Ohio State Student Loan Foundation is in existence, loans from this fund shall be approved by it and disbursements of said income authorized by it; otherwise, the loans shall be governed as directed by the President or then chief-executive officer of the University. Should the needs for loans to worthy male students cease to exist or so diminish as to create unused income, then the Board of Trustees, in its discretion, may use said income for any purpose.

\$624.75 for the Anna M. Dice Memorial Fund to be established as follows:

The Anna M. Dice Memorial Fund

Established March 28, 1952 by a gift through the Development Fund from Charles A. Dice, Professor Emeritus, Department of Business Organization, to be invested in accordance with Section 4861-10 G. C. The income is to be used to provide for a fellowship or fellowships for graduate students in Economics or Business Administration, as may be determined by a committee consisting of the Chairman of

the Department of Business Organization, the Chairman of the Department of Economics and the Dean of the College of Commerce and Administration. In the event the present form of the organization of said College shall be changed so that a committee thus constituted shall no longer be practical or feasible, then the Dean of said College and the Dean of the Graduate School shall provide for a proper committee to represent the fields of Economics and Business Administration.

R.O.T.C. Unit at Capital University

Vice President Stradley presented the following proposed procedure for implementing an R.O.T.C. Unit at Capital University:

The student would register in the regular way at Capital University.

He would also register at The Ohio State University each quarter for the R.O.T.C. courses as given at The Ohio State University.

It is understood the instruction would be furnished by an Air Force Officer or Officers assigned to give the instruction on the campus of Capital University.

The student would come to The Ohio State University for his uniform and would follow all the regulations the same as any Ohio State student would. If deposit is necessary, he would make it and receive refund in the regular way.

It is suggested that a special fee be established by the Board of Trustees of The Ohio State University for these R.O.T.C. courses. An amount suggested is \$10.00—the same as the Twilight School.

A regular schedule prepared for the College of Arts and Sciences would clear through the regular channels. A fee card would be prepared by the Registrar's Office and sent to the student who would pay the fee at the Cashier's Office of The Ohio State University.

At the end of each Quarter—Autumn, Winter, Spring—the instructor assigned to Capital University would certify grades for each student taking these R.O.T.C. courses. The grades would be recorded by the Registrar. At the end of the year or course, transcript of credit would be given to the student who, in turn, would present it to Capital University for transfer of credit toward his graduation at Capital University.

It seems the above procedure would keep the regularity of registration procedure at each University in the regular manner. It would be shown that the student was registered at Capital

University for certain courses and also registered at The Ohio State University for R.O.T.C. courses, following the established routine procedure at each place.

There does not seem to be any complication in this from any standpoint.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above procedure, including the proposed fee of \$10.00 per Quarter, was approved by unanimous vote.

Vice President Stradley presented a report from the Ohio Union Board of Overseers, in which it is recommended:

That the student membership on the Ohio Union Board of Overseers be increased from seven to ten—five to be elected by the student body and five to be selected by the Board on the basis of merit. The number of women students as compared to the number of men students on this Board shall be in approximately the same proportion as the number of women students to men students enrolled in the University.

Upon motion of Mr. Ketner, seconded by Mr. Kettering, the above recommendation was approved by unanimous vote.

Upon request of President Bevis the Commanding Officers of the three R.O.T.C. Units on the campus, namely, Colonel Alfred B. Devereaux of Military Science, Colonel Mervin E. Potter of Air Science and Captain Jeane R. Clark of Naval Science, appeared before the Board and each presented a most interesting and informative statement concerning their respective Units.

The Chairman recommended that a Committee consisting of the President and the three Vice Presidents be appointed to make a careful study of the terms of the Mershon will, and to submit to the Board its recommendations as to:

A. The procedures to be followed in carrying out the terms of the will.

B. The application of funds according to the will.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager presented a recommendation of Richard C. Larkins, Director of Athletics, that William North, long-time employee of the University, be appointed as Guard at the Ohio Stadium without remuneration from the University. The Varsity "O" Alumni Association, recognizing that it is impossible for the University to provide compensation for this position because of Mr. North's retired status, has offered to provide such remuneration as may seem proper from outside sources. The Association, in the words of Director Larkins, "feels great sentimental attachment for maintaining Officer North as a campus tradition."

Upon motion of Senator Huffman, seconded by Mr. Kettering, Mr. North was appointed Guard at Ohio Stadium, effective immediately without remuneration.

The Vice President and Business Manager informed the Board that Mr. Franz Stone had made a gift to the University of certain shares of stock (as listed below). Mr. Stone's instructions were to sell the stock and to apply the proceeds to Medical Research in accordance with an agreement he has reached with Dean Doan. In order that Mr. Stone's wishes may be followed, the following resolution was offered by Mr. Ketner:

"The Board of Trustees hereby authorizes Jacob B. Taylor, Vice President and Business Manager, to proceed with the sale of the following stock, in accordance with the instructions of the donor, Mr. Franz Stone:

Certificate No. TO550486 for 50 shares The Texas Company
Certificate No. TNV012888 for 50 shares Monsanto Chemical Company

Certificate No. NV7856 for 25 shares Montanto Chemical Company

Certificate No. FA116472 for 1 share International Business Machines

Certificate No. FA121985 for 1 share International Business Machines

The resolution was seconded by Senator Huffman and was passed by unanimous vote of the Board.

The President now reported to the Board the death of J. Fremont Bateman and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of J. Fremont Bateman, Clinical Professor of Psychiatry, on March 2, 1952. A graduate of Ohio University, Dr. Bateman received his medical education and graduate training in his field of specialization at three educational centers, Cornell, Northwestern, and the University of Cincinnati. Before coming to the Columbus State Hospital in 1937, he served as Clinical Director of Longview Hospital, Cincinnati, where he began to stress the importance of studying the underlying physical causes of mental disease. This emphasis in approach was further developed after he accepted the challenge presented by the patients in the State's principal mental institution here in the State Capital, where he welcomed at once the help and collaboration of colleagues in other specialties in the College of Medicine. He accepted teaching and investigative roles in the University, developing a close teaching liaison with the College of Medicine for both undergraduate and resident medical training programs. An acute diagnostic and treatment unit was organized at the Columbus State Hospital and in recent years a basic research laboratory was established, equipped, and staffed through his energetic leadership.

When the post-war expansion program for the Medical Health Center on this campus was initiated in 1945, Dr. Bateman enthusiastically supported the plan for bringing the new Receiving Hospital Unit for the Columbus State Hospital to the University, so that geographic propinquity would further facilitate unification of the teaching, research and patient care aspects of modern psychiatric progress. He recommended combining the medical directorship of the Columbus Receiving Hospital with the Professorship and Chairmanship of the Department of Psychiatry in the College of Medicine, with a sharing of the financial responsibility between the State Department of Public Welfare and the University Board of Trustees. That he lived to see his dream an accomplished fact, and personally witnessed and participated in the formal dedication by Governor Lausche of this new unit on this campus last fall was one of the greatest satisfactions he experienced in the last year of his life.

All students and colleagues who knew Dr. Bateman have experienced a sense of great personal loss. As the result of his vision and foresight, however, the field of his special interest in medicine has been provided with a means for future development in this University and in this State.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board.

That the School of Optometry be authorized to offer non-credit, post-graduate courses for practicing optometrists and that a fee of \$50.00 be established for each post-graduate course in Optometry to be offered during 1952. It is further recommended that the money collected from fees be deposited in a separate fund in the Laboratory Supply Store, said fund to be called 274B.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

From the Development Fund

\$850.34 for the Home Economics Alumni Association Scholarship Fund as follows:

Home Economics Alumni Association Scholarship Fund

Established April 23, 1952 by a gift through the Development Fund, to be invested in accordance with Section 4861-10 G. C., the income to be added to the principal until the principal shall be \$3,334.00, at which time the income is to be used to provide a scholarship in the School of Home Economics. The award is to be made by the University Scholarship Committee upon recommendation of the Scholarship Committee of the School of Home Economics, with the approval of the Director of said School and the President of the Home Economics Alumni Association. In the event of a change in the organization of the School of Home Economics or the committee making the recommendations, the University Scholarship Committee may make the awards to students in the field of Home Economics.

10 Special Scholarships for Second Summer Term, 1952

Vice President Stradley presented the following statement to the Board:

The Department of Education has recently approved a permissive arrangement for full-time student teaching for one quarter with fifteen hours of credit. This plan has a number of potentialities, among them the possibility of placing students with good teachers in schools and communities with which the University now has no covering con-

tractual agreement. It would be desirable if student placements could be made contingent on the special teachers qualifications and training for such important supervisory service in a regular course offered during the second summer term. As a prestige factor persons so trained might be designated as field associates in teacher education.

Since their supervisory services would be rendered to the University and to the profession without special remuneration, it would seem reasonable and expedient to remit fees for the second summer term for about ten selected teachers in Central Ohio who would take the course with the approval of their local school administrators, with a view to continuing relationships of mutual benefit to all concerned.

Upon motion of Senator Huffman, seconded by Judge Gorman, the Board by unanimous vote agreed to the remission of fees for such teachers who take course indicated above, it being understood, however, that those teachers who enroll in the University for the first time shall pay the usual matriculation fee.

McPherson Chemical Laboratory

The President presented the following recommendation:

That, upon the recommendation of the Chairman and Faculty of the Department of Chemistry, the building on the Ohio State University campus occupied by that Department, hitherto known as the Chemistry Building, be named McPherson Chemical Laboratory. A large number of prominent alumni have joined the Faculty in this request. Indeed, Chairman Edward Mack states that it is the unanimous recommendation of all concerned.

The President added his own strong personal recommendation. Dr. McPherson was one of the great builders of the Department of Chemistry. He was largely responsible for the establishment of the world-famous library of the Department. He was an outstanding teacher in the field of Chemistry and, in addition, served the entire University in many administrative capacities, including that of Dean of the Graduate School and Acting President of the University.

Upon motion of Senator Huffman, seconded by Judge Gorman, this recommendation of the President was approved by unanimous vote.

Television Station

At the last meeting I reported briefly to the Board that the Federal Communications Commission had just released its "unfreeze" order concerning the allocation of television wave lengths.

Pursuant to the Board's resolution, we had vigorously prosecuted, on behalf of the Ohio State University, our case for the allocation of Channel 12 in the very high frequency spectrum for the exclusive use of educational broadcasting at the Ohio State University.

The City of Columbus, however, has three very high frequency wave lengths all used by commercial stations and this number was deemed to be the full geographical share of the Columbus area. Accordingly, our application for Channel 12 was declined, but there was allocated to Columbus a channel in the ultra high frequency spectrum, namely, Channel 34. To put our situation in perspective, New York City, Cleveland, Detroit and other important areas were similarly dealt with.

This sharply raises the question of our acceptance of Channel 34. It is not allocated specifically to the Ohio State University, but rather to "education" in this area. However, in view of its situation, the University will be expected to take the lead in the matter and its decision will doubtless govern the local course in the whole matter.

The crux of the question is time. At the present, there are for practical purposes no receiving sets in the homes of our public. The immediate utilization of this wave length will therefore be postponed for some period. Just how long, no one knows. However, I have been informed that the University of Illinois contemplates utilizing its ultra high wave length in about eighteen months. I am informed that adapters are available at small cost to the owners of existing receiving sets; in fact, one dealer told me recently that his company was contemplating making such appliances available without cost.

In view of the financial magnitude of the television industry and its rapid expansion, it is the consensus of opinion that resort to the ultra high frequencies for commercial use is not far distant. There are not nearly enough very high frequencies to supply the demand. The commercial value of the wave lengths is considerable in some areas, running into the millions of dollars.

According to the terms of the Federal Communications Commission order and the explanations which have been given by the Chairman of the Commission, we have a period of one year from the date of the issuance of the order, within which to accept the wave length. If we do not accept within the year, it then becomes available to commercial use as well as to educational, and we wish the possibility that it may be applied for and taken by a commercial user. Should this happen we are advised that it is unlikely we should be able to obtain any wave length for educational use for a good many years to come.

We had already determined to proceed with the establishment of a television station if Channel 12 were secured. The cost of a station for ultra high transmission would not be very different from what we had already contemplated.

The estimates of the initial cost vary from a minimum of \$100,000 upward. The best opinion I have been able to gather indicates an expenditure of approximately \$250,000.00.

Annual operation costs are likewise estimated at from \$50,000 upward and operations similar to that carried on in commercial stations seems to cost something like \$400,000 a year. However, it is the consensus of informed opinion that the operation of an educational station could be satisfactorily carried on with very much less expense. The employment of the talent available on the University campus would cost much less than the use of professional and unionized talent employed commercially. Furthermore, arrangements are being worked out whereby educational stations throughout the country can exchange films and kinescopes with large reduction in cost. The best estimate I have been able to arrive at thus far is about \$100,000 a year for reasonably satisfactory operation.

Application for an assignment of the wave length must be accompanied by satisfactory assurance to the Commission that we intend in good faith to establish a station. There is, however, no rigid set of specifications as to what indicates good faith and no great outlay of funds would be required until satisfactory reception of ultra high broadcasting would be sufficiently near to warrant the outlay.

In view of all the foregoing, it is our recommendation that the Board declare the desire of the Ohio State University to accept the best available channel, and that the administration of the University be authorized and directed to take such steps as are necessary and proper to fulfill the requirements and establish an educational television station.

Upon motion of Mr. Ketner, seconded by Mr. Black, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager presented the following recommendation:

As a result of a survey of the International House, it has been recommended that certain improvements and replacements be made at a total cost of \$7,470. The Cabinet has approved these items and recommends that the Board of Trustees authorize the project to be paid from Dormitory Funds, since International House is a dormitory for foreign students.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above recommendation was approved by unanimous vote.

The Vice President and Business Manager recommended the following transfers:

\$10,000—from Rotary 8204 Baker Hall to Rotary 12002 Additions and Betterments—Architect's Fees, to provide for salaries to October 1, 1952, for members of the University Architect's staff in connection with the new dormitory studies.

\$10,000—from Rotary 804 to G-2-D Field House, H. B. 671, for preliminary work and working drawings on Baseball House and Track House, for a period of six months.

\$ 500—from Rotary 804 to G-2-A Additions to War Research Laboratory, H. B. 671, for architectural fees during May, June and July.

\$ 1,500—from Rotary 12999 to G-2-E Medical Research Laboratory, H. B. 671, for architectural supervision for period of seven months.

Upon motion of Mr. Black, seconded by Senator Huffman, the above transfers were approved by unanimous vote.

General Dargusch now asked Judge Gorman, Vice President, to take the chair, as he desired to offer the motion for the redemption of the final Construction Revenue Bonds for the Men's Dormitories and the Women's Dormitories, inasmuch as he had negotiated with the State Teachers Retirement System for the issuance of said bonds.

General Dargusch now offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be called for redemption on June 15, 1952, Women's Dormitories Construction Revenue Bonds in the amount of \$11,000 being bonds Nos. 1 through 11 inclusive, and that the Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Kettering and upon roll call was unanimously approved.

General Dargusch offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be called for redemption on June 15, 1952, Men's Dormitory Construction Revenue Bonds in the amount of \$45,000.00 being bonds Nos. 1 through 45 inclusive, and that the Vice President and Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

BE IT FURTHER RESOLVED by the Board of Trustees of The Ohio State University that the interest on bonds Nos. 1 through 5 in the amount of \$87.50, for the period from June, 1952 to December, 1952, be paid to the State Teachers' Retirement System.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Kettering and upon roll call was unanimously approved.

* * * * *

General Dargusch offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that there shall be repaid to the Treasury of the State of Ohio on June 15, 1952, a portion of the \$500,000.00 Dormitory Construction Loan (Stadium) amounting to \$17,500.00, or half of the required annual payment.

The above action is in accordance with the provisions of House Bill 477 for Dormitory Construction, passed by the Legislature July 6, 1945 and approved by Governor Lausche on July 18, 1945.

This motion was seconded by Mr. Kettering, and upon roll call was unanimously approved.

General Dargusch now resumed the Chair.

Insurance on Buildings and Properties

Mr. Black raised the question as to the wisdom of the policy of the State of Ohio not to carry insurance on its buildings and properties, and suggested that a study should be made of the entire matter with the thought in mind that a program of self-insurance might be developed.

After a general discussion of the seriousness of the problem, the Chairman appointed a special committee consisting of Mr. Black as Chairman, Mr. Ketner and Judge Gorman, to make such a study and report its findings to the Board of Trustees for its consideration.

Mr. Ketner moved that the sum of \$4,000.00 be appropriated from the Interest on Endowment Fund for the use of the President for official entertainment.

This motion was seconded by Senator Huffman and upon roll call was unanimously approved.

The Vice President and Business Manager presented the following information and recommendation:

There is a balance of \$396,708.61 remaining in Rotary 12747, the Ohio Union Building Fee account, representing a part of the repayment by the students of the funds advanced by the University for construction of the Union. In order to clear the accounts at the end of this current fiscal year and to set up the funds repaid in a capital account, the following transfers are recommended:

From Rotary 12748 Ohio Union Building—Student Account	\$ 1,575.50
Rotary 12747 Ohio Union Building Fee...	396,708.61

To Rotary 12261 General University Fund...	\$398,284.11
--	--------------

On motion of Mr. Black, seconded by Senator Huffman, the recommended transfers were approved by unanimous vote.

The President now reported to the Board the death of Werrett Wallace Charters and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

The Board of Trustees expresses its deep sorrow at the death, on March 8, 1952, of Werrett Wallace Charters, Director Emeritus of the Bureau of Educational Research. His passing at the age of 76 marked the close of a career of distinction, vitality and originality in the field of education.

Dr. Charters was born at Hartford, Ontario, Canada, on October 24, 1875. He came to The Ohio State University in 1928 as Director of the Bureau of Educational Research and served in that capacity until his retirement in 1942. Through his leadership the Bureau became one of the best known educational research agencies in the country, especially for its work on certain problems of national scope, such as radio education. Dr. Charters was a pioneer in curriculum research and directed many researches in that field, including professional curricula for Pharmacy, Library service and teaching.

In recognition of his contribution to many aspects of the field of education, The Ohio State University conferred upon him the honorary degree of Doctor of Laws at its Convocation in August, 1951.

Dr. Charters was a graduate of McMaster College and Normal College in Ontario, Canada. He earned his Ph.D. degree at the University of Chicago. His varied educational service included rural school teaching, administration of elementary schools, college teaching of education, the administration of colleges of education at the Universities of Missouri and Illinois, and the administration of the Graduate School at the University of Pittsburgh, as well as the direction of the Bureau of Educational Research at The Ohio State University. His active professional life molded many significant developments after his official retirement, as well as previously. For a year he was Director of the Bureau of Training of the War Manpower Commission. He continued to serve until recently as research adviser to Stephens College. Only recently he completed the direction of an evaluation study of the Armed Forces Institute. He continued

through many years an active interest in the Institute for Education by Radio, which he founded at The Ohio State University in 1930.

While Dr. Charters was widely noted for his application of the scientific method to the study of problems of curriculum and administration in education, he will be remembered most vividly in the community of his associates, faculty colleagues, students, neighbors and friends for his boundless faith in people and his way of encouraging others to their best achievements. This personal influence animated many of his educational theories and served as the foundation upon which his research investigation was based. His systematic approach to educational problems assumed that people were ends in themselves and that they could attain the stature of greatness only when rigorous study was given to creating conditions for the full exercise of their powers.

The Ohio State University was greatly enriched by the life of Dr. Charters and through his work here American education was enabled materially to advance.

On behalf of the University the Board of Trustees extends to the family its deep sympathy in their loss. It is directed that this resolution be recorded in the Minutes of the Board.

President Bevis now reported to the Board the death of Joseph A. Park, Dean of Men, and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

In the death of Joseph A. Park on April 19, 1952, the University lost one of its most faithful servants and most loyal graduates.

Following graduation from West High School, Cleveland, he entered the University as a freshman in 1914. He enlisted as a private in the Army during his Junior year and was honorably discharged with the rank of Second Lieutenant after serving two years abroad. The requirements for the Bachelor's degree were completed in 1920, at which time he became Executive Secretary of the University Y.M.C.A. It was natural for him to engage in this work because he was interested in it as an undergraduate and because the Y is a builder of useful lives and enriches the character of its members.

In 1927 he was appointed Counselor for Men. His record was so outstanding that the position of Dean of Men was created and in 1929 he was chosen to be the first Dean of Men at Ohio State University. He served in this capacity for twenty-three years and it is interesting to know that his father, Robert H. Park, born in Scotland, was Chief Engineer of the Otis Steel Company of Cleveland for the same number of years. All of us remember Dean Park's rare ability in relating Scotch stories—a talent he undoubtedly inherited from his Scotch father.

Dean Park served the University during a period when

it grew both in size and stature, and in every aspect of its policy with regard to students, the Dean of Men was an active and forceful participant. President Bevis has referred to him as one of the "builders of the Ohio State University." I quote President Bevis further: "He understood young men and knew how to guide their youthful energies into constructive channels. He was always available for counsel and his counsel was understanding and wise. His geniality, his humor, his sincere and friendly personality will be sadly missed from the campus. 'A light has gone out, but it has kindled other torches which will be passed down the years.'"

He was responsible for the organization of the Student Senate, the Student Court, many of the dormitories for the housing of men students, and the fraternity system which is looked upon as a model in the nation.

His distinguished work here with fraternities was recognized when he was elected President of the National Association of Deans of Men. His leadership in Y.M.C.A. was recognized on a sectional basis when he was elected Treasurer of the Ohio-West Virginia area of the Y.M.C.A. His standing with the Ohio colleges was recognized when he was elected Treasurer of the Ohio College Association. The men students on the campus of the Ohio State University expressed their affection for him when they elected him to membership in all of the men's class honoraries—Romophos, Bucket and Dipper and Sphinx. Perhaps his greatest contribution as Dean of Men was in the field of counseling young men, and in this work he was indeed gifted. He was patient, calm, kind and understanding. These qualities of character were productive of good results in his work with students. Thousands of Ohio State University students agree with Phil Porter who said of Joe Park—"he was truly a godly man and a Christian in the finest sense of the word."

He had personality, kindness and wisdom. These attributes accounted in large measure for his outstanding success in guiding and counseling students.

The Board of Trustees expresses its deep sorrow at his death. It extends to his family its deep sympathy.

Thereupon the Board adjourned to meet Monday, June 23, 1952, at 9:30 a. m. at the University.

Attest:

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDINGS OF THE
EIGHT HUNDRED AND SIXTY-SECOND MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, June 23, 1952.

The Board of Trustees met at the University pursuant to adjournment.

Present: General Carlton S. Dargusch, Chairman, Judge Robert N. Gorman, C. F. Kettering, Forrest G. Ketner and Senator James W. Huffman.

* * * * *

The minutes of the last meeting were approved.

* * * * *

Chairman Dargusch stated that the first order of business would be the election of officers for the fiscal year 1952-1953.

Senator Huffman moved that Judge Robert N. Gorman be elected Chairman. This motion was seconded by Mr. Ketner and upon roll call General Dargusch, Senator Huffman, Mr. Kettering and Mr. Ketner voted aye. Judge Gorman did not vote.

The Chairman declared Judge Gorman elected Chairman of the Board for 1952-1953.

That the following miscellaneous recommendations be approved:

That \$8,000 be appropriated from H-8 Contributions for the use of The Ohio State University Association for the period July 1, 1952 to June 30, 1953;

That \$61,780 be appropriated from H-8 Contributions for the use of The Ohio State University Development Fund for the period July 1, 1952 to June 30, 1953;

That \$400 be appropriated from H-8 Contributions for the use of the Agricultural Student for the period July 1, 1952 to June 30, 1953;

That \$2,500 be appropriated from H-8 Contributions for the use of the Ohio Journal of Science for the period July 1, 1952 to June 30, 1953;

That the Operating Budget for the Department of Athletics for the year 1952-1953 be approved;

That, upon the recommendation of the Faculty Council at its meeting held on May 13, 1952, the following rules be revised:

Rule 120—That Rule 120 be revised to read as follows:

Course Examinations. At the close of each course, as defined in Rule 90, a written final examination shall be given, save that in laboratory and seminar courses such examination shall be optional with the instructor concerned.

Rule 126—That Rule 126 be revised to read as follows:

Reporting of Grades. At the close of each course, grades for every

student shall be reported to the Office of the Registrar within forty-eight hours of the completion of course requirements by final examination or otherwise.

Comment: The proposed alterations in Rules 120 and 126 grew out of a request of the College of Dentistry that it be "allowed to utilize the method of grading now permitted by Faculty Rule 126 to the Colleges of Law and Medicine." The recommended changes achieve this end in terms of a restatement of University-wide policy on the giving of course examinations and the reporting of course grades.

Rule 196—That Rule 196, Part A, be revised as follows:

A. A student shall be eligible for major activity, if nor the Quarter of participation, he

1. Is carrying a minimum of 15 credit hours, has a cumulative point-hour ratio of 2.00 or above, and is not on warning by the Dean of his College for scholastic deficiencies; or
2. Has the special permission of the Dean of Men or Dean of Women.

Comment: The recommended re-phrasing of Rule 196A is initiated by the Committee on Rules at the suggestion of the Council on Student Affairs. Experience under Rule 196, which was substantially revised a year ago, indicates the advisability of vesting in the Deans of Men and Women individual discretion to waive the eligibility requirements for the undergraduate participation in major activities where occasional justification for such action is presented by special circumstances.

Established in 1952 by the Ohio Federation of Music Clubs. The scholarship is to be awarded annually to a graduate student in Music who, in the judgment of the graduate faculty of the School of Music is considered worthy of this distinction.

\$50 for the National Society of Arts and Letters Music Scholarship

National Society of Arts and Letters Music Scholarship

Established in 1952 by the Columbus Chapter of the National Society of Arts and Letters. The scholarship is to be awarded annually to a graduate student in Music who, in the judgment of the graduate faculty of the School of Music, is considered worthy of this distinction.

That the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

American Petroleum Institute, New York, New York—Investigation of Synthesis and Properties of Hydrocarbons (to be known as the American Petroleum Institute Research Project No. 31—Chemistry);

Mathieson Chemical Corporation, Baltimore, Maryland—Investigation of a Study of Fungicides and Insecticides (to be known as the Mathieson Chemical Corporation Research Project No. 116A—Zoology);

Air Materiel Command, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Literature Survey (to be known as the Air Materiel Command, Wright-Patterson Air Force Base Research Project No. 319—Chemistry);

- American Society of Mechanical Engineers, New York, New York—Investigation of Study and Eccentric Orifices (to be known as the American Society of Mechanical Engineers Research Project No. 335—Mechanical Engineering);
- Air Force Cambridge Research Center, Cambridge, Massachusetts—Investigation of Microwave Frequencies (to be known as the Air Force Cambridge Research Center Research Project No. 361—Physics);
- Charles F. Kettering Foundation, Dayton, Ohio—Investigation of Radiation Factor in Photosynthesis (to be known as the Charles F. Kettering Foundation Research Project No. 373—Physics);
- Department of the Navy, Office of Naval Research, Washington, D. C.—Investigation of X-Ray Spectroscopy (to be known as the Department of the Navy, Office of Naval Research, Research Project No. 384—Physics);
- Navy Department, Office of Naval Research, Washington, D. C.—Investigation of Protective Coatings for Molybdenum (to be known as the Navy Department, Office of Naval Research, Research Project No. 467—Metallurgy);
- Department of the Navy, Office of Naval Research, Washington, D. C.—Investigation of Survey of A Stars in a Galactic Belt (to be known as the Department of the Navy, Office of Naval Research, Research Project No. 517—Physics and Astronomy);
- Globe Iron Company, Jackson, Ohio—Investigation of High Silicon Pig Iron (to be known as the Globe Iron Company Research Project 387);
- Wright Air Development Center, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Study of Laminar Boundary Layer (to be known as the Wright Air Development Center, Wright-Patterson Air Force Base Research Project No. 411—Aeronautical Engineering);
- Wright Air Development Center, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Reflection Characteristics (to be known as the Wright Air Development Center Research Project No. 475—Electrical Engineering);
- Wright Air Development Center, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Photogrammetric, Geodetic and Cartographic Research (to be known as the Wright Air Development Center Research Project No. 485);
- Wright Air Development Center, Wright-Patterson Air Force Base, Dayton, Ohio—Investigation of Centralized vs. Individualized Cooling of Aircraft Equipment (to be known as the WADC, Wright-Patterson Air Force Base Research Project No. 508—Aeronautical Engineering);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Practice and Forgetting Changes in Time, Force and Pattern Characteristics of Basic Skill Components (to be known as the Air Research and Development Command Research Project No. 412—Psychology);
- Air Research and Development Command, Baltimore, Maryland—Investigation of High Temperature Ceramics (to be known as the Air Research and Development Command Research Project No. 441—Engineering Experiment Station);

- Air Research and Development Command, Baltimore, Maryland—Investigation of Study of Miniature Engine Generator Sets (to be known as the Air Research and Development Command Research Project No. 515—Mechanical Engineering);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Psychological Studies of AF Personnel (to be known as the Air Research and Development Command Research Project No. 516—Sociology);
- Air Research and Development Command, Baltimore, Maryland—Investigation of Research on the Language of Voice Procedures (to be known as the Air Research and Development Command Research Project No. 519—Speech);
- The Upjohn Company, Kalamazoo, Michigan—Investigation of Synthesis of Cortical Hormones (to be known as the Upjohn Company Research Project No. 428—Chemistry);
- Laboratory Procurement Office, Signal Corps Supply Agency, Fort Monmouth, New Jersey—Investigation of Target Back Scattering Coefficient Studies and Measurements (to be known as the Laboratory Procurement Office Research Project No. 444—Electrical Engineering);
- Commercialores, Incorporated, Clover, South Carolina—Investigation of Kyanite in Ceramic Bodies (to be known as the Commercialores, Incorporated Research Project No. 461—Engineering Experiment Station);
- Cleveland Ordnance District, Cleveland, Ohio—Investigation of Relationship between Hardenability of Steels and their Weldability (to be known as the Cleveland Ordnance District Research Project No. 509—Welding Engineering);
- Cleveland Ordnance District, Cleveland, Ohio—Investigation of Infinitesimal Rigidity Properties of Surfaces (to be known as the Cleveland Ordnance District Research Project No. 511—Mathematics);
- Cleveland Ordnance District, Cleveland, Ohio—Investigation of Protection of Metals by Non-Metallic Coatings (to be known as the Cleveland Ordnance District Research Project No. 514—Ceramic Engineering);
- Laboratory Procurement Office, Signal Corps Supply Agency, Fort Monmouth, New Jersey—Investigation of Wide Band Techniques for Ground Based Antennas (to be known as the Laboratory Procurement Office Research Project No. 510—Electrical Engineering);
- Atlas Powder Company, Wilmington, Delaware—Investigation of Fermentability of Sorbitol by Oral Microorganisms (to be known as the Atlas Powder Company Research Project No. 512—Bacteriology);
- Department of the Army, Office of the Surgeon General, Washington, D. C.—Investigation of Effects of Low-Level Radiation on Cellular Changes (to be known as the Department of the Army, Office of the Surgeon General Research Project No. 513—Physiology).

The above twenty-eight contracts for research, in cooperation with Government and Industry, represent a gross income of \$656,505.32.

That in accordance with the recommendation of the University

Faculty Council, degrees be awarded at the Summer Quarter Convocation on Friday, August 29, 1952, to the following named students who have completed their requirements therefor.

On motion of Judge Gorman, seconded by Senator Huffman, these recommendations of the President were approved by unanimous vote.

The President recommended that James F. Fullington be appointed Dean of the College of Arts and Sciences, effective October 1, 1952 at a salary of \$15,024 per year.

Upon motion of Senator Huffman, seconded by Judge Gorman, the above recommendation was unanimously approved.

The President recommended that Professor Hamilton B. G. Robinson be appointed Associate Dean of the College of Dentistry, effective July 1, 1952.

Upon motion of Mr. Ketner, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

President Bevis now presented the annual salary budget for the fiscal year 1952-1953. He stated that this budget has been made upon the basis agreed to by the Board at its previous meetings, and the President now recommended that it be approved by the Board.

The President stated further that, inasmuch as the Civil Service Commission has not completed the task of classifying the employees of the University and there remain certain positions not yet classified, particularly in the skilled trades, it is recommended that he be given

authority to establish the rate of compensation for the individual employees in question after conference with the Civil Service Commission, at amounts not higher than those inserted in this budget.

Following a general discussion of the entire financial position of the University and the budget itself, Judge Gorman moved that the annual salary budget* for the fiscal year 1952-1953, as presented by the President, be approved and the President be authorized to make such adjustments as may be called for by action of the Civil Service Commission. This motion was seconded by Mr. Ketner and upon roll call was approved by unanimous vote.

President Bevis presented the following statement and recommendation:

The death of Dean Joseph A. Park, Dean of Men, which came during the period when the new Student Union was in its early stages of occupancy, gave rise to a number of suggestions that the building or some part of it be named in Dean Park's honor.

The name "The Ohio Union," continuing the name of the earlier building, had already been officially established and it is the consensus of opinion of those with whom I have discussed the matter that this name for the building itself ought to be continued.

Dean Park, as a matter of fact, had only incidental official connection with the building of the old Ohio Union and his connection with the new Union was of the same incidental character. However, his long and intimate and effective connection with the student body inevitably brought him closely into contact with Union affairs and it seems highly appropriate that some memorial for Dean Park be established in the new Ohio Union.

I have a recommendation from Frederick Stecker, the Director of the Ohio Union, communicated through Vice President Taylor that the chapel in the Ohio Union be dedicated to the memory of Dean Park and officially designated as the "Joseph A. Park Chapel." It is also recommended that necessary funds be provided to have executed a bronze medallion or plaque to mark the chapel. This would be placed in the public corridor immediately outside the room.

This recommendation appears to me to have great merit. It would be a continuing memorial to Dean Park in an appropriate part of the building.

I should like to recommend, therefore, that the chapel in the new Ohio Union be dedicated and designated as the "Joseph A. Park Chapel" and that the administrative officers of the University be authorized to have made and placed a bronze medallion or plaque of suitable character.

Upon motion of Senator Huffman, seconded by Mr. Ketner, the above recommendation was approved by unanimous vote.

President Bevis presented the following statement and recommendation.

William Wallace Kincaid died in the state of New York leaving a will under which the Ohio State University is one of the residuary legatees.

* The 1952-1953 salary budget is not included in this volume. A copy is on file in the Budget Control Office, Administration Building.

I am in receipt of a letter from the office of the Attorney General of the State of Ohio enclosing a letter from the New York attorneys for the estate and an application for a judicial settlement of the accounts of the executor and trustee.

The letter from the Attorney General's office states that in its judgment the papers are in order and suggests that a waiver of service be executed and returned. The document, however, calls for authorization by the Board of Trustees.

I recommend, therefore, that the appropriate officers of the University be authorized under the direction of the Attorney General to execute the waiver of service and such other documents as may be required of the Ohio State University in the settlement of this estate.

Upon motion of Judge Gorman, seconded by Senator Huffman, the above recommendation was approved by unanimous vote.

Vice President Heimberger presented the following interim report covering the work at Gibraltar Island:

At the February meeting of the Board of Trustees, the President presented a report concerning the work carried on by this University at Gibraltar Island. This report recognized that much good work had been done, both in teaching and research, but that there was a consensus of opinion that we are falling short of the full measure of accomplishment which might be expected. He reported that one of the principal difficulties appears to be that, over a period of the past 15 years, our effort at Gibraltar has been separated more and more from the educational, research and service program of the University as a whole. The semi-independent status of the Institute seems to have resulted in the loss of the full support, cooperation and productivity that should come from related efforts on this campus.

As a first step toward (a) making the Institute the fully productive venture that it should be to merit continued support or (b) to meet its essential purposes in some other manner, the President appointed a new committee advisory to him and charged it with making a thorough study resulting in specific recommendations concerning the future of Gibraltar. This committee, which is now actively engaged in making its study and which is no longer under the chairmanship of the Director of the Institute, includes competent persons from related departments of instruction and research on this campus who have also had considerable experience working at Gibraltar. It also includes a responsible financial officer as well as a member who has had unusual success in working with Mr. Marion and Mr. Dambach of the State Department of Natural Resources.

Among the matters now being considered by the President's Committee are:

- (a) The nature and value of research work being done at the Institute, both basic and applied. Attention is being given to major emphases of the programs as well as to particular projects.
- (b) The teaching function, with special reference to low and costly enrollments, failure to develop cooperative programs with teaching departments on the campus, the possible duplication of efforts in other areas and the greater use of the facilities at Gibraltar as a graduate and undergraduate summer field station.

- (c) The improvement of services to commercial fishermen, the Department of Natural Resources and others who have a proper interest in the work at Gibraltar.
- (d) A better academic and administrative relationship within the University.

Pending the final recommendation of the advisory committee, certain minor things have been done to improve the situation at Gibraltar. The amount spent for special contracts for the Summer Quarter has been cut in half this year and the part of the Director's salary charged against the Department of Natural Resources grant has been reduced by \$1200. In order to stimulate enrollment, Vice President Stradley has provided a number of tuition-free scholarships. At the present moment the enrollment at the Institute is 19 students, three of whom are undergraduates and the remaining 16 graduates. Three members of the University staff are using the facilities of the Laboratory for personal research. One additional graduate student is registered for the second term. There are 13 boarders using dining facilities provided by the University, plus two staff members who take noon meals only. Last year there were 18 students and 8 boarders.

Dr. Heimberger stated that the final recommendations of the advisory committee will be presented to the Board at a later meeting.

President Bevis presented the following statement:

The public press and even the magazines of the country have been filled during the last several weeks with articles on Spring demonstrations on the part of students in the colleges and universities throughout the country variously described as raids, riots, etc., etc.

Such demonstrations are not new; they have, in fact, for at least a hundred years been annually predictable occurrences in many schools. In most instances, too, no serious harm has been done, although occasionally property has been destroyed and perhaps some proprieties invaded.

I think that perhaps you have observed that there was no such occurrence at the Ohio State University this Spring notwithstanding the incentive of reiterated publicity and the example of other campuses.

Taking note of our previous experiences, the University under the leadership of Dr. Stradley tackled this question several months ago. A campus-wide student committee of some one hundred members was set up and a May Week program was planned which gave ample opportunity for the expression of student exuberance while at the same time it incorporated features which gave it dignity and constructive character.

The annual Military Review became a part of the program and was indeed a most impressive ceremony. Blood donation was incorporated. A supper on the Oval for several thousand students was a part of May Week.

In order to meet the students half way and to make them know that the University was not opposed to their having a good time as long as they remained within the bounds of propriety, we dismissed classes on Wednesday during May Week beginning at ten o'clock. This, I think, contributed to the excellent result in the creation of the student sentiment.

The Lantern and the other campus publications did excellent service in spreading the idea. Various campus groups, including the fraternities and sororities, lent strong support to the movement and so far as could be observed, a genuine campus-wide sentiment was created. On two warm evenings small groups of "irreconcilables" attempted to organize raiding parties but each time the movement "fizzled" out for want of support.

I think it worth while to bring this to the Board's attention as an instance of respectable self-control on the part of the students themselves.

Mr. Ketner now offered the following motion:

The Board of Trustees thanks the President for this very clear statement and desires to commend Dr. B. L. Stradley and his committee and express its deep appreciation for the splendid effective planning which resulted in the creation of that fine student sentiment.

This motion was seconded by Senator Huffman, and upon roll call was unanimously approved.

The Vice President and Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the Director of Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Replace Existing Floor in Kitchen area of Starling-Loving Hospital with Red Quarry Tile	\$ 5,000	F-1 Building Repairs, H. B. 671
Replacement of Air Conditioning System on Fifth Floor of Hamilton Hall	\$ 7,000	Public Health Rotary Fund
Replacement of Sidewalk Lift Elevator West Side of Derby Hall	\$ 5,500	F-1 Building Repairs, H. B. 671
Roof Repair on Industrial Engineering Building, Starling-Loving Hospital, Part of Roof on Lord Hall and Pomerene Hall, and New Roof, Gutters and Down Spouts on Veterinary Laboratory	\$13,500	F-1 Roof Repairs, H. B. 671

(Note: The plans and specifications for Roof Repair on Industrial Engineering Building and Starling-Loving Hospital at an estimated cost of \$7,200 were approved at the April 14, 1952 meeting of the Board. The Director of Physical Plant now recommends that the project title and estimate of cost be revised as indicated above.)

Upon motion of Mr. Kettering, seconded by Mr. Ketner, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Vice President and Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Vice President and Business Manager presented the following statement and recommendation:

On authority of the Board of Trustees, the University Cabinet met on May 12, 1952, for the purpose of opening bids on Remodeling and Sprinkler System for St. Francis Hospital. The following bids were received:

*General Contract
Bidder*

	<i>Amount of Bid</i>
Haig M. Boyajohn & Associates.....	\$42,100
Joseph Skilken and Company.....	40,400
Leo E. Ruisinger, Inc.....	48,385

Architect's Estimate 35,000

Sprinkler System

Grinnel Company, Inc.....	\$43,885
Star Equipment Company.....	41,714
Automatic Sprinkler Corp. of America.....	46,320

Architect's Estimate 40,000

The range of bids indicates satisfactory competition and, although all bids are in excess of the estimates, it is the opinion of the University Architect that neither lower bids nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the University Cabinet, approval of the Controlling Board was requested and granted (Req. 150) for authority to enter into contracts with Joseph Skilken & Company at their low bid of \$40,400 for General Contract, Remodeling St. Francis Hospital, and with Star Equipment Company at their low bid of \$41,714 for Sprinkler System, St. Francis Hospital, notwithstanding the fact that both bids are in excess of the estimates of cost.

The project is payable from G-2-22 Rehabilitation and Repair, St. Francis Hospital, H. B. 672.

Upon motion of Senator Huffman, seconded by Mr. Kettering, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board, and pursuant to legal advertisement, has received bids and approved the award of the following contract to the low bidder and now recommends that the action of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the offices of the Auditor of State and the Director of Physical Plant and is included in the records of the University Cabinet.

Glazing Press Box

Columbus Plate & Window Glass Company.....\$3,801

To be paid from G-2-G Glazing Press Box, H. B. 671

Upon motion of Mr. Ketner, seconded by Judge Gorman, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager presented the following statement and recommendation:

On authority of the Board of Trustees, the University Cabinet met on May 19, 1952, for the purpose of opening bids for Remodeling and Elevator Work, Starling-Loving Hospital. The bids received are tabulated as follows:

<i>General Contract Remodeling</i>	<i>G. W. Atkinson & Son</i>	<i>Joseph Skilken & Company</i>	<i>Architect's Estimate</i>
Prop. GI	\$3,260	\$3,700
GII	2,048	1,000
GIII	2,578	4,000
GIV	5,000	4,600
GV	7,500	\$18,470	7,500

<i>Elevator Work</i>	<i>Otis</i>	<i>Haughton</i>	<i>Westinghouse</i>	<i>Arch. Est.</i>
Prop. EI	\$23,889	\$26,151	\$26,789	\$24,000
EII	7,924	5,511	3,000
EIII	23,314	27,950	28,000
EIV	31,813	31,137	26,000
EV	55,127	58,574	54,000

The University Architect recommends that the total bid for each group be considered in making the award. It will be noted that the low bid for the General Contract work is the same as the estimate of cost, but the low bid for Elevator Work is in excess of the estimate. It is the opinion of the University Architect that neither lower bids nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the University Cabinet, authorization for the award of the Elevator Contract over the estimate of cost was requested and obtained from the Controlling Board (Request 158). In view of this authorization, it is recommended that the General Contract be awarded to G. W. Atkinson & Son at their low bid of \$7,500 and the Elevator Contract to the Otis Elevator Company at their low bid of \$55,127.00.

The project is payable from G-2-22 Rehabilitation of Existing Buildings, H. B. 672.

Upon motion of Senator Huffman, seconded by Judge Gorman, the above actions of the Cabinet were approved by unanimous vote.

* * * * *

The Vice President and Business Manager reported that the Cabinet, acting under authority granted by this Board, and pursuant to legal advertisement, has received bids and approved the award of the following contract to the low bidder and now recommends that the action of the Cabinet be approved by the Board of Trustees. A detailed tabulation of said bids is on file in the offices of the Auditor of State and the Director of Physical Plant and is included in the records of the University Cabinet.

Exterior Painting of 17 Two-Story Apartment Buildings and the Community Building at River Road Housing Project

General Painting Company.....\$8,222

To be paid from F-1-f Painting River Road Housing, H. B. 671

Upon motion of Mr. Ketner, seconded by Mr. Kettering, the above actions of the Cabinet were approved by unanimous vote.

Exterior Painting of 14 Buildings

General Painting Company.....\$19,777

To be paid from F-1-e Painting Residence Halls (\$5,892) and F-1 Building Repair (\$13,885), H. B. 671

Upon motion of Senator Huffman, seconded by Judge Gorman, the above actions of the Cabinet were approved by unanimous vote.

The Vice President and Business Manager presented the following statement and recommendation:

On authority of the Board of Trustees, the University Cabinet met on May 22, 1952, for the purpose of opening bids on New Concrete and Brick Walks on the Campus. The following bids were received:

<i>Bidder</i>	<i>Amount of Bid</i>
E. C. Doddroe & Son.....	\$26,032
Legg & Davis.....	36,980
American Terrazzo & Cement Co.....	12,649
General Maintenance and Engr. Co.....	19,500

The engineer's estimate for the above project was \$11,000. There were seven companies that took out specifications on the project. As shown above, we received four bids, all of which exceed the estimate of cost filed with the Auditor of State. It is the opinion of the Director of Physical Plant that neither a lower bid nor wider competition would be obtained if the project were readvertised.

In accordance with the recommendation of the University Cabinet, approval of the Controlling Board was requested and granted (Req. No. 157) for authority to enter into a contract with the low bidder, American Terrazzo & Cement Company, for New Concrete and Brick Walks on the Campus, in the amount of \$12,649, notwithstanding the fact that this bid is in excess of the estimate of cost.

The project is payable from F-9 Other, H. B. 671

Upon motion of Mr. Ketner, seconded by Judge Gorman, the above actions of the Cabinet were approved by unanimous vote.

The President now reported to the Board the death of James A. Beer, and in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of James A. Beer, Assistant Clinical Professor Emeritus, on April 30, 1952. His death brought to a close the career of a man who had spent many years in faithful service to the State of Ohio, City of Columbus, and The Ohio State University.

Dr. Beer was born in Ashland, Ohio, 1879. He received the Bachelor of Science degree from The Ohio State University in 1903, and the Master of Arts degree in 1906. In the latter year he received the degree Doctor of Medicine from Ohio Medical College. He was an assistant in Pathology and Physiology in this college and from 1903 to 1907 was a Fellow and Assistant in Anatomy and Physiology at The Ohio State University. From 1930 to 1934, he served as Associate Physician in the Student Health Service, and from 1934 to the time of his retirement in 1950 was Clinical Assistant Professor of Medicine in this service. Before Dr. Beer's association with the University, he was Director of the State Board of Health Laboratories, and was the first physician to be given the title of Columbus Health Commissioner.

Dr. Beer was a member of numerous social and scientific societies, various Masonic Orders, Nu Sigma Nu, American Association for the Advancement of Science, Sigma Xi, Ohio State Medical Association, American Medical Association, and an honorary member of the Columbus Academy of Medicine. In his passing the state and city have lost a faithful servant and the University a wise medical counsellor.

On behalf of the University the Board of Trustees extends to the family its deep sympathy in their loss. It is directed that this resolution be recorded in the minutes of the Board.

The President now reported to the Board the death of Charles Ellison MacQuigg and, in accordance with the recommendation of the Board of Trustees, a copy of the following resolution, expressing on behalf of the University the sorrow and sympathy of the Board, has been furnished to the family of the deceased.

The Board of Trustees expresses its sorrow at the death of Charles Ellison MacQuigg, Dean of the College of Engineering, on April 24, 1952. In his death the University has suffered the loss of a wise counselor, a true friend and an able and wise leader in the field of engineering education.

Dean MacQuigg was born in 1885 at Ironton, Ohio, and received his early education from his mother and private tutors. He entered The Ohio State University to study the curriculum leading to the degree of Engineer of Mines. During his college days he had the opportunity to serve in his senior year as an assistant to N. W. Lord, Professor of Metallurgy and Mineralogy. After graduation in 1909 he was employed first by the Santa Fe Railroad in their Engineers Corps and Inspection Division and then as Assistant Engineer of Tests with the Anaconda Copper Company. In 1912 he was appointed Head of the Department of Metallurgy at Pennsylvania State College. During the First World War he served in the Ordnance Department and later held the rank of Lieutenant Colonel in the Army Ordnance Reserve. Upon his retirement from active service in the Army, he entered the employ of the Union Carbide and Carbon Corporation where he was engaged for a period of 18 years in metallurgical research and development work, and in the latter years as Manager of Research. He became Dean of the College of Engineering and Director of the Engineering Experiment Station at The Ohio State University in July 1937 and served in those capacities until his death.

During the period of his deanship he served in various capacities in technical and educational societies and councils, on commissions of the State of Ohio and in the interests of public welfare generally. He was a member and officer of the American Society for Engineering Education, the Engineering Division of the Association of Land Grant Colleges and Universities, and the Engineering College Research Association. He was also founder and later a director and national councilor of the Ohio State University Research Foundation. During the Second World War he was active in the Engineering, Science and Management Defense and War Training programs and was a member of the War Metallurgy Committee of the National Research Council. Services to the State of Ohio included membership and, for a term, the chairmanship of the Ohio Water Resources Board, Ohio Chamber of Commerce Industrial Development Committee, and a committee charged with an investigation of the Department of Highways.

He was an active member of many technical and scientific organizations, among which were the American Institute of Mining and Metallurgical Engineers, the American Society of Mechanical Engineers, the American Society for Metals, the International Acetylene Association, the American Asso-

ciation for the Advancement of Science, the Army Ordnance Association, the National Research Council of the American Academy of Science, and the Metallurgical Committee of the Compressed Gas Association. In 1943 he was awarded the James Turner Morehead Medal of the International Acetylene Association, "for advancing the oxy-acetylene processes through metallurgical research, and for leadership in welding engineering education." In 1946 he was awarded an honorary degree of Doctor of Engineering by Clarkson College of Technology, and in 1948 received the Armed Forces Certificate of Appreciation.

His achievements include several metallurgical inventions and numerous papers in the Iron Age, Mining and Metallurgy, the Journal of the Franklin Institute, the Journal of the American Society for Engineering Education, and in many other publications as well as numerous lectures before technical societies in this country and abroad.

Dean MacQuigg was loved by faculty, students, co-workers and associates. He had the respect and admiration of engineering deans and educators all over the United States. The love and esteem of his fellowmen was the result of the qualities of the man. He was honest and fair in all of his dealings. His actions were motivated by a strict code of professional ethics, a personal sense of moral responsibility, unselfishness and a desire to serve.

On behalf of the University the Board of Trustees extends to the family its deep sympathy in their loss. It is directed that this resolution be recorded in the minutes of the Board.

Thereupon the Board adjourned to meet Tuesday, September 2, 1952, at Gibraltar Island.
